Reader, if you are suffering from any Liver or Stomach trouble that makes life a martyrdom, be induced to try the LIVER AID. So certain are we that this medicine will cure any case of *Constipation*, *Biliousness*, *Headache*, *Liver Complaint*, *Dyspepsia*, *Indigestion*, *Malaria*, *Rheumatism*, or any other disease springing from a deranged Liver or Stomach, that we will cheerfully refund the money if the LIVER AID does not do the work.

Have enough confidence in this appeal to try one bottle. You will never regret it; but, on the contrary will be lastingly grateful for this advice. LIVER AID is a medicine which performs the most wonderful cures after other remedies have failed and hope has well nigh fled.

Liver Aid is sold by leading Druggists at $1.00 per Bottle. Six Bottles for $5.00.
