the college

Leading East Carolina College to greater heights of intellectual achievement and national recognition are the administration, the Board of Trustees, and the faculty members. Coordinating the activities of these people is Dr. J. D. Messick, President of the college, aided by key personnel and the facilities at his disposal.

The following section is a brief glimpse of the personnel, progress, and future outlook of East Carolina College.

Greenville's tallest building, Jones Hall, mens' dormitory, was the first building to be erected on the South Campus.

Flanagan Building, facing the interior quadrangle, houses the facilities for practical and theoritical scientific advancement.

organizations

Colleges are just like people. They must have eyes to see, minds to think, and hands with which to work. From where does a college get these things? From its organizations! The organizations here on campus are the eyes, the heart, and the mind of East Carolina College. Each one has its own particular function and place in campus life. East Carolina can be justly proud of the splendid record set forth by its organizations.

These next pages will show you how this college has come alive through its organizations.

Begun under a cloud of controversial doubt, the SGA Administration for '59-'60 met the opposition at every turn with undeniable success.

Under the effective administration of Dallas S. Wells, SGA President, the student body has enjoyed the most select and varied type of entertainment ever presented on this campus. For the first time in years, the "litterbug" problem was effectively dealt with through SGA sorority-fraternity cooperation. A precedent in SGA history was set when the Student Senate unanimously voted to accept the yearly budget. Students were offered book exchange facilities. Homecoming was the most highly coordinated and successful as ever.

The Wells' administration will go down as one of the most successful and beneficial in this college's history.

> The leading social event of the year for Kappa Alpha is the "Old South Ball," held in Charlotte, N. C. For a short weekend the days of the Old South are relived again by the members and their dates of the six chapters of Kappa Alpha in North Carolina. Gamma Rho Chapter of Kappa Alpha Order was installed on the East Carolina College campus on September 26, 1958.

Kappa Alpha Order was founded at Washington and Lee University in 1865 to perpetuate the Southern idea of gentlemanly character typified by Robert E. Lee, its spiritual founder. The fraternity is patterned on an order of knighthood and the members are expected to con-form to the discipline of the order and cultivate the graces of Southern gentlemen. Kappa Alpha restricts its field to colleges and universities south of the Mason-Dixon Line.

East Carolina College has no Bob Hopes or Sarah Bernhardts, but we do offer fine talent each year with the presentation of three annual major productions by the East Carolina Playhouse, recitals by the Music Department, and an annual musicale by the SGA. This year was no exception. Presentations featured, as usual, the finest talent at East Carolina, ranging in variety from comedy to semi-classical. The Music Department, not to be outdone, produced a rib-tickler, "Schiz-o-phrenia." The East Carolina Playhouse produced some fine shows also, but their best came with the full-scale production of "The Diary of Ann Frank." The SGA contributed that wonderful musical, "Kiss Me Kate." Did we say no Bob Hopes or Sarah Bernhardts? Humm, who knows . . . ?

"I got the idea from your bank"

A passenger in a plane sat relaxed at a window observing the spectacle of the heavens. Suddenly a parachutist appeared and drifted by. "Going to join me?" cried the parachutist. "No, I'm very happy where I am." "Just as you like," called the parachutist, "but I'm the pilot."

Mrs. Fort: Mrs. Frank, does your husband talk in his sleep?

Mrs. Frank: No, and it's awfully exasperating. He only smiles.
