EAST CAROLINA COLLEGE

GREENVILLE, NORTH CAROLINA
Entering the main gate of the college, the visitor's first sight is that of Austin Building.

Colorful brick buildings are a tradition on the campus.
When classes change, the traffic starts to flow.

The new dormitories on the south campus house all men students.
Between classes is always a good time for bull sessions

A GROWING SPIRIT

Sports play an important part in campus life
The walk from Rawl Building to the soda shop is a well-worn path.

The long walk to Austin Building is made by many students each day.
Burning the midnight oil is sometimes necessary.

A PLACE TO LEARN

Some prefer to study alone.
"Take my advice honey ... buy them!"

AND TO MEET OTHERS.....
It's not hard to tell who the life of this party is

A little cheesecake never hurt anyone

AND TO BECOME A PART OF.....

There's no way to get around it... you gotta buy a FEW books
Night time is the right time

“Spirit” is the magic word for our leaders of cheers.

THE SPIRIT OF....
...EAST CAROLINA
ADMINISTRATION

Coordinating the activities of the administration, the Board of Trustees, and the faculty is Dr. Leo W. Jenkins, as E.C.C. forges ahead to greater educational and intellectual achievement. Join us now as we take a look at the progress made by these people in their various capacities, and as we glimpse what the future has in store for this college.

East Carolina College Inaugurates Dr. Leo W. Jenkins as its 6th President.

Mr. Herbert Waldrop administers the oath of office to Dr. Leo W. Jenkins.

Dr. William C. Friday and Dr. Jenkins enjoy the music of the East Carolina College band and chorus.

Dr. Jenkins delivers his inaugural address.
Friday the 13th of May, 1960, was not an unlucky day in the life of Dr. Leo W. Jenkins who on that date was inaugurated as the sixth president of East Carolina College.

Dr. Jenkins is a graduate of Rutgers University, B.S. degree; Columbia University, M.A. Degree; New York University, Ed.D. Degree and has also done graduate work at Duke University.

In his native state of New Jersey, Dr. Jenkins had served as assistant to the Commissioner for Higher Education in the New Jersey State Department of Education.

Dr. Jenkins had a most commendable military service record serving as Major in the U. S. Marine Corps. In addition to being head of this institution, he is presently serving as member in the Reserve of United States Information Agency, Atomic Energy Advisory Committee, President of the North Carolina Association of Academic Deans, and Delegate to the White House Conference on Education. Dr. Jenkins also holds honors, membership, and offices in some twenty-five other civic and educational organizations. He is an author, orator, active church member, and a devoted family man.

A crowd of ten thousand witnessed the inaugural exercises, marked by academic tradition and colorful pagentry, on the campus of East Carolina College. Some two hundred robed officials included presidents, deans, and faculty members who represented some thirty colleges and universities throughout the nation. The procession was led by the Governor of North Carolina, Luther Hodges.

ART

Now art students may work toward a M.A. degree in the Art Department of East Carolina College. Further, this college claims the distinction of having the only Art Department east of Woman's College which gives the comprehensive graduate work that our Art Department offers. Special activity courses offered are ceramics, graphics, sculpture, crafts, textiles, and painting.

College facilities are utilized to exhibit and sell students' works.
SCHOOL OF BUSINESS

Today's businessmen can look forward to hiring those who graduate from the East Carolina College School of Business. This School of Business claims the distinction of being the first to offer an approved course in executive technique under the auspices of the Southern Institute of Management and the American Institute of Management.

To educate men and women for positions of leadership in the business life of North Carolina is the primary purpose of the School of Business. In conjunction with this purpose the School offers specialized and thorough training in areas of business administration and secretarial science.

EDUCATION

Not only to prepare undergraduate majors in primary and grammar education for graduation and teacher certification, but to serve as well as a consulting agency for school systems in eastern North Carolina is the dual role of the Education Department.

Professional courses for secondary education majors in other departments and graduate courses in education for those working towards a M.A. degree are offered by this department.

DR. E. J. CARTER
ENGLISH

A variety of courses offered enables students to attain an A.B., B.S., and M.A. degree in the English Department.

The English Department serves the entire college in that all students are required to take at least 18 hours of English instruction in many phases of spoken and written English as well as in English and American Literature.
To further the pronunciation ability of students in the foreign languages, the Foreign Languages Department utilizes foreign students in classroom work.

Two years of German and introductory courses in Russian are offered along with courses leading to the A.B. and B.S. degrees with majors in French and Spanish.
East Carolina College has one of the largest undergraduate Geography Departments in the nation today.

Teaching an integrative subject which deals with relationships, the Geography Department offers A.B. degrees to students in this department.
Health and Physical Education is concerned with three type of programs. This statement holds true for the Health and Physical Education Department at East Carolina College. Here, this department offers a general program consisting of a wide range of instructive and recreational activities to meet the needs of all students; a competitive program which includes an extensive intramural program supplementing the curricular activities; a comprehensive intercollegiate athletics program; and a professional training program offering courses to meet the needs of all students desiring certification in fields of public school teaching.
A home economist graduating from the Home Economics Department of East Carolina College has a variety of professions from which to choose: teacher, home demonstration agent, home economist in business, or dietician. After an additional year of graduate study, even more vocational choices are open to the home economist.

Homemaker or career woman, a graduate of the East Carolina College Home Economics Department is well-prepared to meet the exacting demands of his job.
INDUSTRIAL ARTS

With its primary function being the preparation of industrial arts teachers for the public schools of North Carolina, the Industrial Arts Department's undergraduate curriculum offers both variety and depth of study in several areas of industrial arts. Courses offered include: hand and machine woodwork, hand and machine metalwork, technical and architectural drafting, letterpress and silk screen printing, electricity and electronics. In addition to the above courses in crafts, general shop design and industrial arts teacher preparation are also taught.

DR. KENNETH L. BING
There are over one hundred thousand books and magazines in Joyner Library, all of which are made available to the students through the efforts of the Library Science Department's competent staff. No less important is the job of the staff to train school librarians. Those who complete the various courses of study are then qualified to serve as librarians in elementary, junior or senior high schools.
Students who complete three full quarters of graduate work in the Mathematics Department may now receive their M.A. In recent years the graduate work program has been extended to include Modern Algebra, Matrix Algebra, Theory of Numbers, Analytic Mechanics, Euclidean Geometry, Foundation Geometry, Theory of Complex Variables, Advanced Calculus, Theory of Pointsets, and Properties of Infinite Series.

Recent undergraduate courses added include Machine Computation, Statistics, Mathematical Analysis, College Geometry, and Vector Geometry of Space.

Designed to develop selected cadets through a sound education and training program, the Air Force Reserve Officers' Training Corps bases its program on the initial motivation of cadets to serve as career officers in the United States Air Force.

Being comprised of a cross-section of East Carolina College's finest students, AFROTC strives to develop those qualities of leadership and attributes essential to progressive advancement to position of greater responsibility as commissioned officers in the USAF.

Professor of Air Science

MILITARY SCIENCE

MUSIC

Major factors in the overall program of the East Carolina College Music Department are service to the college, the community, and the music profession. Its dedicated purpose is to serve students and assist in the development of their talents to the highest possible degree.

Students may pursue majors in applied music, music education, voice, instrument, or a combination of the two areas, music supervision, and church music.
PSYCHOLOGY

The purpose of the Psychology Department of East Carolina College is to provide students of psychology with a deeper and more comprehensive understanding of their fellow man.

The Department offers an A. B. and a M.A. in the field of psychology as well as a minor for A.B. candidates and students majoring in Elementary Education.
The Science Department provides the students of our school with a general understanding of science and its important role today, furnishes a broad fundamental training in the basic sciences, trains teachers of science for primary and secondary schools as well as works with those already teaching in schools. It also sponsors and encourages research in sciences.

This Department offers specific degrees in Biology, Chemistry, and Physical Sciences as well as general B.S., A.B., and M.A. degrees.

DR. CHARLES W. REYNOLDS
The basic and most outstanding effort of the Social Studies Department is to provide students with a thorough understanding of society.

The department presents a series of lectures to the college and town community enbettering the public.

It is possible to obtain an A.B., B.S. and M.A. degree in this department.
East Carolina College now offers a four-year course in Nursing, which leads to a Bachelor of Science Degree.

The Dean of Nursing is Mrs. Eva Warren who comes to East Carolina from Watts Hospital in Durham, North Carolina.

The Nursing Students have the privilege of selecting their uniforms and caps. The Art Department presented various styles of caps for the girls to choose from.

"PRAISE TO YOUR NAME SO FAIR"

There are many things to be obtained in life . . . money, fame, everlasting truth, or just a chance now and then to share a few moments of happiness with those around us.

Whatever it is that each of us are seeking, we at East Carolina are all members of a common band. We have chosen to obtain the things we want through the means of higher education. We gamble four years of our lives in hopes for a better return. Books are read, themes are written, exams are dreaded, classes are cut, a few beers are downed, and for some . . . love is found.

In the end, those who remain are a dedicated few. A lot is yet to be faced, but even more has already been faced. At any rate, what lies ahead can be met with a little more confidence now than would have been possible before we came to East Carolina. For this contribution to a search just begun, we offer . . . praise to your name so fair.

The marshals are elected to their honorary post by popular vote of the student body during fall quarter. Poise, dignity and personality, capable of representing the College at public functions, are the requirements each girl must have to be eligible. The marshals must maintain a “C” average.

Soon after being elected to the post of marshal, they must elect from among themselves one to serve as chief. It is desirable that the chief marshal has had at least one year experience as marshal at East Carolina College.

The College Motto, “To Serve”, establishes the duty of the marshals. They must serve at whatever College functions that administration requests, and also, they may serve at functions promoted on campus of the College by any civic group if they so choose.

Cooperation . . . Progress . . . New Horizons are the key features of East Carolina College's campus organizations. Cooperation among the group is evident wherever you turn. Progress has been the primary goal as each organization has grown in depth and scope. New Horizons are still carrying these groups forward as they seek bigger and better achievements for their good and the good of the College. Look ahead and be rightfully proud.
After a very enthusiastic election, the SGA Administration undertook its task to promote a sense of personal responsibility to the students of East Carolina College.

James Speight was elected to lead the SGA committees in supporting a well-rounded program, subject to the approval of the students of ECC, the faculty, the president of the College, and his advisory board.

During this administration the college inaugurated its sixth President, Leo W. Jenkins. Also under the Speight administration the college welcomed such dignitaries to the campus as Democratic Presidential Candidate John F. Kennedy, Republican spokesman, John Roosevelt, and Gubernatorial candidates Robert Gavin and Terry Sanford.

The 1960 Homecoming festivities proved to be the most successful in the college history.

Only by leadership, integrity, and devotion to duty can progress in the SGA be accomplished—and each committee contributed to the success of the 1960-61 administration.

It was late in 1960 when the PiKAs finally accomplished what had been their dream since the old Phi Kappa Alphas went national with Pi Kappa Alpha to become the one hundred and thirty-second chapter in May of 1958. The last of the charter members graduating this year will remember this dream from its conception to its fulfillment...yes, this was the year the PiKas purchased their “dream house.” To go with the new house, fall rush brought a twenty-eight man pledge class, the largest in Epsilon Mu’s history. Along with the work and sacrifice for their new home, the PiKas mixed a generous amount of pleasure. This was the year of the third annual “Concert by the Sea,” the third “Dream Girl Ball,” a homecoming never to be forgotten, ten brothers getting pinned, three married, and the Nassau and Miami Beach trip for their ninety-second national convention.
Theta Chi became the first national social fraternity on campus March 15, 1958. Since then, the Epsilon Iota chapter has grown and matured to its present state.

Theta Chi has won many awards during this short time. Last year, the fraternity won the two highest awards on campus, the Scholarship Trophy, given to the social fraternity with the highest scholastic average, and the Service Award, given to the fraternity which has been outstanding in its service to the college and the community. This year, Theta Chi won the 1960-61 Homecoming Award for the best float. Under the leadership of L. S. Guy, the present president, Theta Chi hopes to progress even farther.

The brothers are proud of their latest acquisition, a fraternity house, which is located at 414 West 4th Street.

The brothers of Theta Chi are proud of their fraternity, and they are proud of their motto: "Alma Mata first, and Theta Chi for Alma Mata."

The Gamma Rho chapter of Kappa Alpha has made rapid and broad growth in the past year. Its strength now stands at 34 brothers and 28 pledges. Some of the various activities, both social and service projects, include helping to renovate the St. Andrews Episcopal church and raising money for the crippled children’s fund.

In the spring, approximately 30 brothers and pledges and their dates attended the Old South Ball in Richmond, Virginia. This event is the social highlight of their calendar year.

The future goal is to procure a fraternity house. This should contribute a great deal to Kappa Alpha unity.

Iota Upsilon Zeta has enjoyed one of its most successful chapter years. The brotherhood operated under an active strength of sixty brothers and thirty pledges.

During the fall quarter, recognition was given to Brothers Basinger, Stafford, Matthews, and Hilgert for their performances on the gridiron. We welcomed the hiring of Mrs. Helen MacAndrews as the new housemother for the chapter house.

Winter proved to be a great social season for the fraternity. Many of the campus social sororities were invited to special house parties. The spring saw the annual Founder's Day continue to be an outstanding event.

In summary, success in intramurals, scholarship and service brought the spirit of brotherhood to the full maturity of Lambda Chi Alpha.

Sigma Nu Fraternity was founded nationally at Virginia Military Institute in 1869, and the local chapter, Eta Beta was established in 1959. The White-Rose is the flower of Sigma Nu, and the national colors are black, white and gold. Sigma Nu publishes monthly its official magazine, entitled The Delta.

On May 16, 1959, Kappa Sigma Nu was formally installed as Eta Beta chapter of Sigma Nu. The creed is — to believe in the life of love, to walk in the way of honor, to serve in the light of truth. This is the life, the way, and the light of Sigma Nu.
Sigma Phi Epsilon, “The Fraternity with a heart,” was founded by twelve men of vision on November 1, 1901, at what is now The University of Richmond. Since that time, it has grown into one of the nation’s largest Fraternal Organizations, with 148 Chapters in 46 States. Sigma Phi Epsilon Colony of the Fraternity was founded at East Carolina College on February 19, 1959.

The brothers have participated in all campus activities and their sponsors for Summer-School and Homecoming Queen were elected. As part of their yearly activities they have an annual “Sig Ep Ball” at Chapel Hill, North Carolina.

Phi Kappa Tau was founded in 1906 at Miami University, Oxford, Ohio, and in 54 years has grown to one of the leading fraternities in the nation. The colony at East Carolina College was founded during the Spring Quarter, 1960. With the help of Mr. Roger Vaughn, National Field Secretary, Phi Kappa Tau spent the past year in becoming a well organized, close knit fraternity.

The purpose of Phi Kappa Tau is to establish the close bonds of brotherhood and of loyalty to the school that will be a credit to the National Fraternity, East Carolina College, and to the general college fraternity system.
The Panhellenic Council is the governing board of all social sororities on the campus of East Carolina College. Each sorority is represented by a junior and a senior delegate. Officers of the Council are rotated by alphabetical arrangement of the sororities.

The Panhellenic Council strives to promote interest and cooperation among the sororities and the college administration.

The president, vice-president, and rush chairman, Carol Rankin, make plans for formal rush.

Sigma Sigma Sigma was founded at Longwood College in Farmville, Virginia on April 20, 1898. Gamma Beta Chapter at East Carolina was installed on February 5, 1960.

"Sigma Serves Children" is the sorority's service theme which is portrayed through Tri Sigma's contributions and work with the "Robbie Room" at the North Carolina Memorial Hospital in Chapel Hill. The Gamma Betas serve children by working with the Greenville Crippled Children's Clinic.

Tri Sigmas strive to maintain a high scholastic standing, a strong womanly character, an everlasting bond of sisterly love, and friendliness toward all.

Rho Zeta Chapter of Chi Omega was pledged at East Carolina College on November 12, 1959. Chi Omega stresses the formation of lasting friendships. Its purposes are the attainment of superior scholarship, the development of womanly character, and the participation in social and civic services.

Kappa Delta Sorority was founded on October 23, 1897 at Longwood College, Farmville, Virginia. The history of Kappa Delta is a story of friendship, of youthful ideas, and of loyal service. It was founded by four college girls who sought to create a beautiful symbol for their aspirations and to perpetuate their friendship far into the future. It has been expanded and strengthened by many thousands of loyal college women who have formed their closes ties within its bounds and found self-expression in building its organization.

The purpose of Kappa Delta is to promote true friendship among the college girls of our country by inculcating into their hearts and lives those principles of truth, of honor, of duty, without which there can be no true friendship.

The object of Kappa Delta is the formation and perpetuation of good fellowship, friendship, and sisterly love among its members; the encouragement of literature and education; the promotion of social interest; and the furtherance of charitable and benevolent purposes.

DELTA ZETA

To the world, I promise temperance and insight and courage, to crusade for justice, to seek the truth and defend it always; to those whom my life may touch in slight measure, may I give graciously of what is mine; to my friends, understanding and appreciation; to those closer ones, love that is ever steadfast; to my mind, growth; to my self faith that I may walk truly in the light of the flame. These are the aims set forth in the Delta Zeta creed to which we try to pattern our lives.

Conduct, character, and culture—the three C's of Alpha Phi are as characteristic of the international sorority today as they were of its founders on the Syracuse University campus, Syracuse, New York, in the year 1872. Since the founding date, the sorority has grown to have 72 chapters in the United States and Canada, all bound by our motto, "Union Hand in Hand." Ever true to their love for the silver and bordeaux, our colors, alumnae and actives alike contribute yearly to our philanthropic project, cardiac aid.

The Delta Alpha Chapter was pledged on the East Carolina College campus on November 21, 1959, and was initiated on February 6, 1960. Other than aiding in the national projects, the Delta Alpha Chapter participates in campus activities and engages in local service projects. An annual project of the chapter is to attempt to make the Christmas of some less fortunate family a merry one, and in this way, become cognizant of the true Christmas spirit.

To Alpha Xi Delta, fraternity is the feeling we have for one another — warm, mutual, confident, strong, and enduring. It is the spark that flashes when we meet a sister from miles distant. It is the devotion we feel toward our fraternity ideals. It is the common bond of understanding which creates friendships in a strange land. To us sorority life is not the enjoyment of special privileges but an opportunity to prepare for wide and wise human service.

Alpha Omicron Pi was founded at Barnard College of Columbia University in New York on January 2, 1897. Zeta Psi Chapter was installed on February 6, 1960, at East Carolina.

Alpha Omicron Pi was founded to bring into existence an organization that would be ever modest, without ostentation; one that has few, simple, and potent symbols instead of a multitude of parading ornaments; one that should never indicate separateness from the college body, but should rather imply service to the whole; and especially an organization whose membership should be based on character and like-mindedness.

Alpha Delta Pi, founded at Wesleyan Female College in Macon, Georgia in 1851, is the oldest secret society for college women. Delta Omicron Chapter at East Carolina College was charted on February 6, 1960, and became the 100th chapter of Alpha Delta Pi. Alpha Delta Pi stands for “sisterhood and mutual trust among its members; high scholarship; and service to the school as well as to the surrounding community.”

Each girl who wears the diamond-shaped badge of Alpha Delta Pi strives to strengthen friendships, uphold the highest ideals of Christian womanhood, and render unselfish service to mankind.
Four years ago we came here, fresh from high school and fresh in college. Four years we spent here, working, studying, learning; mostly happy, sometimes sad. Four years of our life, dedicated to education, but holding many other precious accomplishments. Four years of our life, hard earned, but well spent.

FOOTBALL
Coach Jack Boone’s East Carolina football machine again found itself on the spot. This was to be a year of rebuilding and patience. However, the Pirates, facing a depth problem, made the best of their reserves, winning 7 games and losing only 3. In the conference the Pirates lost only to Lenoir Rhyne, the NAIA champions, and Appalachian.

The Pirates made a strong finish by crushing Richmond University 22-7. This was the first time the Pirates have defeated a Southern Conference foe, and proves that East Carolina has the power to be in the Southern Conference.

Pacing the Pirates were All Conference Clayton Piland, Sonny Basinger, and honorable mention All American Glenn Bass. Along with these were other standouts such as Bill Strickland, Tommy Mathews, Bert Stafford, Nick Hilgert, and Dan Rouse.

With some of these standouts and a few promising freshmen, Coach Boone hopes to add another winning season to his list.
East Carolina's "warm-up" game with Newport News Apprentice School provided coach Jack Boone with an idea of what to expect from his team during the 1960 campaign.

Using the second and third units to full advantage, the Pirates had no trouble in subduing the Virginians. Little All-American Glenn Bass climaxed a 65-yard scoring march by taking a pass from Bert Stafford and the Pirates were on their way. Bass scored two more TD's and Henry Kwaitkowski added three extra points to lead the East Carolina offensive effort.

GUILFORD ......................... 0

On a great defensive effort, the Bucs marked up their first North State Conference victory over a stubborn Guilford team. Halfback Glenn Bass had the game's only score on a 10-yard scamper after a 31-yard gain by Tommy Mathews had set up the touchdown. In addition to Mathews and Bass, reserve fullback Billy Strickland was instrumental in the win.
EAST CAROLINA .................. 28
CATAWBA ......................... 0

East Carolina chalked up its third straight victory by pushing all 28 points across the Catawba goal line in the second half after a scoreless tie before intermission.

Halfbacks Sonny Basinger, Mac Thacker, Glenn Bass, Tommy Mathews and fullbacks Nick Hilgert and Billy Strickland produced a touchdown each for the Pirates. Tackle Henry Kwitkowski added the extra points while center Henry Vansant also played a major part in the victory.

In a see-saw struggle with Elon’s Christians, East Carolina came from behind to win their fourth consecutive contest of the season and their third in conference action. This placed the Pirates in the North State Conference lead.

Fullback Billy Strickland blasted across the goal line for both scores.

Quarterback Bart Stafford passed to end Jones Lockerman for the two point conversion making the final score 14-8. Henry Kwiatkowski, Wayne Davis, Chuck Gordon, Vernon Davis received major credit in the victory for their outstanding line play.
EAST CAROLINA ................. 7
WESTERN CAROLINA ............ 6

A homecoming crowd of over 9,000 people watched East Carolina roll up victory number five against a strong Western Carolina team. The win kept the Bucs atop the North State Conference standings.

Senior halfback Mac Thacker intercepted a Western Carolina aerial and returned it 90 yards for the only touchdown of the game. Clayton Piland threw the key block that enabled Thacker to score. Henry Kwaitkowski boosted his ninth consecutive extra point to provide the winning margin.

NEWBERRY ............................... 0

Another tremendous team effort enabled East Carolina’s unbeaten Pirates to defeat a favored Newberry College team. Tommy Mathews, Dan Rouse, and Richard Jackson each produced a touchdown for the Bucs. This was a great team effort and the line play deserved a great deal of credit. Henry Kwaitkowski, Clayton Piland, Chuck Gordon, Earl Sweet, and Bobby Bumgardner stood out for the Pirate forward wall.

The Mountaineers handed East Carolina their first loss of the season in this thrilling contest. After Appalachian had grabbed a quick 8-0 lead, Henry Kwiatkowski kicked a 9-yard field goal to narrow the margin to 8-3. Basinger scored to put the Pirates into a short-lived 10-8 advantage. The Apps held a 14-10 lead at halftime while adding an insurance score in the second half. Two pass interceptions by Appalachian halted the Pirates attempt to win the game.
East Carolina lost its chance for the North State Conference championship as they fell under the power of Lenoir Rhyne, the nation's number-one ranked small college team. The underdog Pirates played well against the Bears, but could never cross the Lenoir Rhyne goal line. This loss was the second in as many games for coach Jack Boone's squad.

A host of fleet Presbyterian backs were responsible for East Carolina's third straight setback as the Blue Hose dropped the locals 27-7.

Quarterback Cary Parker tossed to Sonny Basinger for the Pirates only score. Henry Kwiatkowski booted his fifteenth extra point without a miss in this contest.
Richmond’s heavily-favored Spiders returned home in amazement due to the pounding of their proud football team which had suffered a startling 22-7 defeat at the hands of a well-conditioned East Carolina eleven. This was the contest which finally brought to light the true potential of the Pirate squad.

Glenn Bass startled the Richmond club by sprinting 96 yards for a touchdown at the beginning of the game. Quarterback Dan Rouse teamed up with end Richard Honeycutt and halfback Bass on two scoring pass plays.

Although being out-weighed as much as 25 pounds per man along the forward wall, the speed and condition of the East Carolina line actually out-classed the Spiders in a fine defensive effort.

The East Carolina cagers faced one of their toughest schedules in history with six lettermen returning from last year’s squad. The Pirates finished their season with a 12-6 conference record. Although the Bucs gained the North State Conference lead during the season, they were unable to retain first place. However, coach Earl Smith’s crew provided many thrills for the East Carolina fans by their spirited play.

The leading scorer for the team was All-Conference forward Cotton Clayton, who was followed closely by Don Smith and Charlie Lewis. The all-around ability of Lacy West, and the rebounding and defensive efforts of Bill Otte and Benny Bowes added the necessary balance to the team. Danny Bowen, Floyd Wicker, Dave Starrett, Nolan Respess, Sherwood Adcock, Jimmy Fornes, Mai Boyette, and Bryant Tudor supplied the bench strength needed for a winning season. Captain Don Smith is the only Pirate cager lost by graduation from the 1960-61 squad.

The Buc diamonders did it again. The 1960 Bucs unleashed a brand of baseball that brought them another North State Conference title. Great pitching and timely hitting helped Coach Mallory’s men bring the title to East Carolina.

Superb pitching was provided throughout the season by such seasoned performers as Johnny Ellen, Nathan Green, and Larry Crayton. Clutch hitting from performers such as Glen Bass, Wally Cockrell, Gary Pierce, and Jim Martin also helped the Pirates win all but two conference games.

The 1961 Buc diamonders will be gifted with the return of several lettermen and are again expected to win the North State Conference.

East Carolina's tennis team again in the 1960 season blazed to another North State Conference tennis championship. With skilled veterans and outstanding newcomers, the Buc netters won the championship with ease.

In the conference tourney, John West, ranked No. 1 in the conference, won the singles crown and then teamed with Blarnie Tanner to capture the doubles crown.

Coach Wendell Carr was very pleased with his first year as tennis coach at East Carolina and expects to retain the team's championship in 1961.

East Carolina's track team suffered the loss of several lettermen, who were record holders in the North State Conference, and lost their position of supremacy in the North State Conference. Under the coaching of Gary Mattocks and Lee Atkinson the track team took the losses in stride.

As the season progressed, however, they began to improve and placed fourth in the district NAIA track meet.

With new recruits and consistent point makers, Basinger and Stevens, the Bucs are expected to be very improved for the 1961 season.

GOLF

With the guidance of Coach Tucker the Buc's golf team had a very impressive year in winning the North State Conference golf championship.

Playing consistent golf in helping win the title was veterans Don Conley and Paul Goodwin. Newcomers Bill Guthrie and Steve Fulp were very valuable with their consistent good game.

With the return of veteran Conley, Guthrie, and Fulp, the Buc linksters are expected to repeat the championship.
Under the coaching of Ray Martinez, the East Carolina swimming team finished with a fair season although this was labeled as a "rebuilding" year for the Pirate tankers.

The swimmers compiled a 4-7 dual meet record while competing against such top-notch teams as Florida State, U. of Florida, U. of Georgia, U.N.C., V.P.I., William & Mary, and Appalachian.

Martinez had to rebuild his 1960-61 team from a nucleus of only four veteran swimmers and one diver from last year’s squad which placed third in the NAIA finale in Detroit, Michigan.

Co-captains Tommy Carroll and Tommy Tucker, along with Ed Zachau and Butch Edwards were the only returning swimmers. Diver Bob Kingrey remained as the team’s number one platform performer.

Prospects are good for future teams if East Carolina’s group of promising newcomers perform as expected.

CHEERLEADERS

The cheerleaders of East Carolina College led by head cheerleader, Phyllis Langston, have accomplished a great deal this year. Leading the chants and cheers at varsity athletic events such as football and basketball games, they have played a prominent role in improving school spirit.

Besides having led the cheers at home games, the girls sponsored pep rallies, decorated the goal-posts, traveled to many out-of-town games, and organized bonfires.

The cheerleaders are selected during the spring quarter of each year by a faculty-student committee. These girls, through their hard work reflect a sincere interest in spreading the proud spirit of the college.

The cheerleaders are: Lillian Moye, Mary Elizabeth Gardner, Elizabeth Cotten, Judy Jolly, Phyllis Langston, Kay Hood, Carol Rankin, Jo Anne Balance, and Margaret Lao.
