MINUTES OF THE BOARD OF TRUSTEES
EAST CAROLINA COLLEGE
Greenville, N. C.

November 20, 1951

The Board of Trustees of East Carolina College met in the board room at the college Tuesday, November 20, 1951.

Present: Messrs. Erwin, Clark, Belk, Tyler, Swindell, Cox, Stedman, Carroll, Mrs. Williams, Misses Hall and Palmer.

Absent: Messrs. White and Garrett.

The minutes of the last meeting, August 10, were approved.

The Board approved for graduation, upon completion of their work November 21, candidates for the B.S. degree: 32; A.B. degree: 4; M.A.: 2.

Dr. Messick read a request that scholarships be granted Korean students to study at East Carolina College. The Board decided that under the charter of East Carolina College, established "for the purpose of giving young white men and women such education" ... Korean students could not be admitted here, even if the college had full scholarships, which it does not.

The president reported that he had asked the State Highway Commission to pave a road from the campus to the college property on Fourteenth Street, and this is being considered.

Building needs were discussed, following which the Board unanimously passed the following resolution:

It is the sense of the Board of Trustees that the administration should request funds for building a new dormitory during the coming biennium.

The committee appointed to consider recommendations for naming new buildings stated that they had no report to make and did not wish to make any recommendations at this time.

The treasurer-business manager gave a report on the status of the building program, and announced that bids taken October 30, on the proposed library come within the amount of funds available, if certain requested transfers are approved by the Budget Commission.

Trustees were given a report showing that the present enrollment, 2312 including extension centers, is the highest in the

history of the college. Moreover, dormitory rooms for junior, senior and sophomore women have already been reserved for the next college year.

The chairman of the Board was asked to appoint a member to the Executive Committee to succeed Mr. Horton. Mr. Belk was appointed.

The Board adjourned at 12:30 p.m.

Agnes W. Barrett Secretary
