Hurrah for Carr!!
Hurrah for Cleveland-!!

Congratulations - long, loud, deep - & hearty!!!

My Dear Cousin:

My soul is satisfied! I heard one Democrat say to another, yesterday, "I am so glad I'm a living".

State and Nation in our hands! The responsibility is great. We must meet it. Our promises have been many - we must redeem them.

With best wishes for you as a kinsman, as a Democrat, as Governor, from every one of my family, Very truly Richard Lewis.
