A. HOEN & CO. BALTO.

Certificate of Dr. James A. Steuart,

COMMISSIONER OF HEALTH, BALTIMORE, MARYLAND.

CITY OF BALTIMORE.

Health Department,

CITY HALL.

Baltimore, Dec. 5th 1884

I find that the Red Star Cough Cure contains no mineral matter, poisons, opiates or emetics; that it combines in a unique and effective manner, approved curative agencies which are relied upon by the faculties of the different schools of medicine, with other valuable vegetable ingredients, which combination, to my knowledge, has thus far not been used for this purpose, and which in its action happily supplants the objectionable and not unfrequently harmful features, of other cough mixtures.

James A. Steuart M.D.
Comr of Health

Col. HARRISON ADREON, Postmaster, Baltimore, Md., says: I have used Red Star Cough Cure for a severe cold and cough and found it a prompt, sure cure. It is pleasant to take, prompt in its action, and has none of the bad effects of other cough mixtures, which derange the system.

The Red Star Cough Cure is a safe, sure cure for coughs, colds and other affections of the throat and lungs. It is agreeable to take. It contains no opiates, narcotics or poisons. It is purely vegetable. It is perfectly harmless. It cures promptly. It cures surely. Every bottle is accompanied by autograph certificates, issued by leading medical authorities of the land, guaranteeing absolute *purity*, *harmlessness* and *superior efficacy*.
