As The Days Pass By...

May the 1948 TECOAN bring back memories of four years well spent. To the seniors, may your steps of progress be firm and sure and not as footprints in the shifting sands of time.
In our struggle in life, too many people forget to live; they merely exist. They lack those priceless possessions that shine forth—without restraint—in a smile. But we have Dean Jenkins to thank for renewing our faith that in this tumultuous, sometimes unfriendly world there are still some who draw their abundant living from deep wells and who comfort by the warmth of their genuine smiles.

Growth in any endeavor requires effort. Satisfaction results from the realization of an achieved goal. Each new accomplishment marks a niche in the path of progress. There is always another frontier for the person with vision.

Your education has just begun. A foundation has been laid for the building of a super structure. Your future is in your own hands. As you attain objectives, your ambitions will multiply, your capacities will increase, and your life will grow richer and fuller. But in all your successes remember to have an abiding faith in the eternal Master who is always present in time of need.

East Carolina Teachers College is proud of you, and will be just as great a friend as you will let it be. We of the faculty wish to be remembered by you, and to share in the honors and prestige which will continuously attend your efforts.

Dr. John Decatur Messick
President

You, the seniors, are to be congratulated for your willingness to accept the difficult and highly significant test of turning youth into productive citizens. Your future work will not be easy. The physical, mental, and spiritual requirements are so high that only a few of the many who try become teachers. You are among those few who have succeeded. The faculty and staff are proud of you and wish for you further success, health and happiness in all your future endeavors.

Dr. Leo W. Jenkins
Academic Dean

Character is the most important attribute of a successful leader. There is no equivalent for it. It can have no substitute.

To inspire the oncoming generations to think rightly, to act honorably and to raise the level of thinking and living is the big job of the teachers of today.

While Strolling

We speak to the same familiar people, remark about the usual rainy weather, admire the cam-
pus, and begin to realize, in time, how much a part of the college we have become.
SENIOR CLASS

Left to Right: Elizabeth Carter, treasurer; Francis M. Coiner, president; Anne T. Cates, vice-president; Hennie Ruth Whichard, secretary.
Many years from now we will look back to the days of college life—the Soda Shop, a football game, the leaves on the campus in the Fall. Remembering this, we will understand that the books and papers of those bygone days were the arms and armor that protected us in the days of our never-ending futures.

We turn our interests to the many organizations and clubs that are a part of our college.

life. With these we may broaden our scope in anything from debating to music.
Student Legislature

Under a revised constitution the Student Legislature has grown into an organization that justly represents the student body. Its advance is marked with better co-operation and co-ordination of the various clubs and organizations toward promoting school spirit.
Women's Judiciary

The Women's Judiciary made up of eight members has as its main function the promotion and maintenance of high standards of conduct on the campus. These standards are upheld through the combined efforts of this body and the women students.

The purpose of the Men's Judiciary is to act as a judicial body in all matters concerning discipline of men students, and to support any movement on the campus for the betterment of the college and the students. The college had its record enrollment of men students this year; thus, the functions of the judiciary were greatly increased.

Men's Judiciary
Standing Committees

Through the efforts of the committees, the students are provided with entertainments throughout the year, a handbook to help them learn about the college, and other works that keep the campus activities functioning smoothly.
The Veterans' Club of East Carolina was formed in the winter quarter of 1946, with the membership composed of the ex-service personnel connected with the college.

The club's purpose is two-fold: a social organization intended to inspire fraternal feeling among ex-servicemen and help in the solving of their problems; a constructive group interested in the advancement of scholastic and athletic achievement on the campus.

With 140 members the club plans activities that encompass the entire school year. Last year the club sponsored a dance and minstrel with the net profit going into the Athletic Scholarship Fund. The same activities are planned for this year.
One of the first organizations to begin on the campus, the Y. W. C. A., is functioning in all its original efficiency. The Friday night vespers, "Night Watch", the traditional Christmas program, the "Big Sister" program, the W. S. S. F. drive and Religious Emphasis week are all a part of the Y. W. C. A. program for the year.
The Young Men's Christian Association was first organized at East Carolina in the spring of 1939, and it continued until the war. It was reorganized in November 1946.

The Y. M. C. A. and the Y. W. C. A. jointly sponsor: vespers every Friday night, the drive for the World Student Service Fund, the White Gift Service each Christmas, Religious Emphasis Week, and Graduation Vespers in June. The Y. M. C. A. sends delegates to the various regional and sectional conferences with one of its members on the state planning board. This summer the organization plans to send its president to Presidents’ School in New York.

The Y. M. C. A. is open to all men at East Carolina, either students or faculty, who declare themselves in sympathy with the purposes of the organization.

The pledge of the Y. M. C. A. is: “Having declared my intention of making the purpose of the Young Men’s Christian Association my own personal program of allegiance and service, I hereby pledge myself to live by the principle of faith and service through Christ for which it stands.”
During the first part of the year the band started a campaign to get new uniforms. Their dreams have come true. Next year the band will be dressed as well as any other college band.

The Women’s Chorus has continued to provide musical entertainment for the college. Their voices can be heard lifted in song at chapel services, concerts, and many other programs throughout the year.
During the short time that they have been organized the band has grown to be acclaimed one of the better dance bands in Eastern North Carolina. You name it—they can play it!

The College Choir to many students is one of their favorite classes. For a number of years and more to come the choir will continue to provide enjoyment for the students and others.
THE COLLEGE SINGERS

The College Singers were organized last year. In a short time they have built a reputation for providing programs of pleasure and beauty.

The purpose of the Music Education Club is to develop in its members a deeper knowledge and appreciation of music; and to stimulate an interest in music activities on the campus. The programs combine social activities with student participation, guest speakers, and discussions.

MUSIC EDUCATION CLUB
The Brass Quartet is made up of students who are interested in bettering their technique and learning more about the instruments in the brass family.

This group with the Brass Quartet was organized this year. With the growth of the music department the number of ensembles has increased.
These are the leaders of the departmental clubs through whose efforts our organizations function efficiently.

Home Economics Club

Good things have come from the Home Economics Club this year—100% membership, the state president, and many interesting programs.

Publications

The Publications Board includes the editors-in-chief, business managers, and faculty advisors of the publications, the Dean of the College, the Director of Student Affairs, and the president of the college. These are the people who try to give the students the kinds of publications they want.
The Teco Echo, 1948

Published bi-weekly, the Teco Echo, college newspaper, is a student publication. All students are eligible for membership on the staff of the paper. Associate editors of the editorial staff are appointed by the co-editors-in-chief. Each year members of the staff are selected to represent the college at a meeting of the Columbia Scholastic Press association in New York City. The college news organ is a member of various national collegiate press associations and has received excellent rating from these a number of times.
The 1948 TECOAN

This is probably one of the first yearbook staffs to turn out two annuals in one year! Even with the millions of questions every day of ‘Where are the annuals?’ and ‘Will we get the ’43 Tecoan this year?’ we have enjoyed it. We only hope you enjoy the annual.

Seated, left to right: Sophie Fischel, Marilyn Maxwell, Dr. Leo W. Jenkins, Mercedes Ange, Sue Lanier. Standing, left to right: Christine Badford, Velva Collins, Mildred Best, Beaumont Williams, Camilla Selby.

Top Circle: Marilyn Maxwell, Editor-in-Chief.
Bottom Circle: Mercedes Ange, Business Manager.
While trying to compile this yearbook, the business staff has tortured the merchants, worried the budget office, and counted and recounted; but the editorial staff, well, they have lost sleep, pictures, typed material, fingernails, and friends.

We hope that our work has not been in vain, and that in the years to come this yearbook will take you back to some of the happiest days of your life.
Your college magazine, Pieces O' Eight, is of the students, by the students, and for the students. It is of the students, in the respect that it represents every phase of student ability in the most democratic way possible: by the students reveals that the magazine is compiled, produced, fought for and finally achieved by the efforts of hard work and creative ability; and last it is primarily for the students' enjoyment trying to give those who wish to do so a chance to expand.

Varsity Club

The Varsity Club is made up of athletes who have earned letters for participation in varsity sports. Each member who earns one is given a sweater by the club. Each year the club sponsors its annual dance in honor of the Varsity Sweetheart who is chosen by the members from the girls on the campus.

Men's Athletic Association

The Men's Athletic Association is open for all men who are interested in athletics and the betterment of physical education on the campus. The association strives for better health standards and better sportsmanship through intramural games during the year.

Women's Athletic Association Cabinet

"The purpose of the Women's Athletic Association is to encourage the spirit of play for its own sake, to work for the promotion of physical activities among the student body under the leadership and environmental conditions that foster health, physical efficiency, and to develop good citizenship." Every woman student on the campus is a member. The club has sixty active members with Miss Nell Stallings and Miss Thursa Steed as advisors.

Left to Right: Mary Robinson, Mrs. Frances S. Butler, Patty Priggen, Sarah Bazenmore, Helen Dunham, Annette Priggen, Emma L. Gurley, Evelyn Mills.
Athletics of East Carolina

What would college be without athletics? What would athletics be without cheerleaders? Throughout the various sports seasons the cheerleaders have kept up the school's spirit and encouraged the teams to win.

Left to Right: Clarke Stokes, Dean Smith, Henry Selby, Paevy Pridgen, Paul Craver, Ann Reddard, Jimmy Fryar, Peggy Bunney-cutt, Paul Upchurch.
The Pirates’ record for this year shows marked progress over the team’s records in the past. Let’s keep it up!

James Johnson
Head Coach

Coaches: Left to Right: Ellis Fearing, James Johnson, Howard Porter, Pete Everett.
When the school joined the North State Conference several valuable players were ineligible for varsity football. Even with the losses of the players the team ended its first year in the conference remarkably well with brighter prospects for future seasons.
Each member of the team has worked hard to give the students the kind of football they want. Throughout the season they displayed their sportsmanship and technique to a high degree.
When the practice season opened, eighty hopefuls reported—the largest number in the school’s history. Remember too, the team brought the Bohunk back to East Carolina by defeating A. C. 12-7.
Coach Howard Porter giving instructions to Charlie Bill More.

This year the Pirates brought the team into the first place position in the North State Conference. The season also brought several promising players to East Carolina. These Pirates really know how to handle that ball!
POE

During the year the Poe Society presented speakers on Poe's life at their meetings to promote a better interest in his literature. With the other two societies, they sponsored a dance during the Winter quarter and gave receptions for the guests during the entertainment.
An old saying is the nicest things come in small packages—which refers to the Emerson Society. This is a small group but an active one. As Ralph Waldo Emerson says: “Me too thy nobleness has taught, to master thy despair. The fountains of my hidden life, are through thy friendship fair.”
The Lanier Society, named for the poet Sidney Lanier, has sought to further the mental, moral and social development of each member and to create a greater love for the best in literature, music and art. They began the work for the year by a friendly welcome to the Freshmen class with a party at the "Y" hut.
