I don't understand how it is you don't receive my letters you see I write two letters every week, and it makes me feel bad you don't get them you might think that I don't write, could be that I don't write your address right but then, I think they

to have any boy name after him, because no one likes his name, I told him I might have a chance because I have a nice name, but I guess I have to wait for the boys to get married what do you think.

We having some bad weather now, is so cold out, but in the house with two stoves going is nice and cosy.

you should see the looks on Virginia face tonight, she got would come back because I have my address. I realy don't know why, and lately I only get one of your letter a week but don't worry maybe is the mail, wrong.

I got a letter from my brother anthony he told me he receive a letter from you, he was very pleased.
