My dear friend,

Thank you for the opportunity to share our heritage, both Slovak and Coal Miners.

My Mom, Mary A. Hunchuck will sing several songs on tape. I will attempt to interpret their meanings. I'll then give the tapes to a teacher-musician who is familiar with this music. There is no sheet music available so he will write it for you. His name is Mr Steven Clay. Director of Music for the Uniontown School District. He is Slovak and knows the music well. I cannot give you

a time on how soon it'll be done. Do not despair because we will hold to the promise. It will be easier for you this way.

Looking forward to our meeting! My heart is so happy to know that our history is being preserved this way!

Sincerely,
Elaine D. Frank
