Dear Sir,

We sent you a message thro' Mr Thos Simmons of Boston - & have also remembered you in letters to Lt Col Johnston on several occasions - We have learnt from you indirectly thro' Mr Simmons - We hear occasionally from your father-in-law in Delaware - & all there were well at last accounts - as are Mr & Smallwood & all relatives here - Your note to our Aux B from Fort Columbus was rec'd. We were glad to hear your wife & children were well.

We write this to advise you of the good health of your relatives in Delaware in case you have not heard - & to repeat our offer made to you several times thro' Col Johnston of assistance in case you are in need of anything.

We are

Yours truly

Geo. Hoffman Esq
