The fourth meeting of the "A" society was held May the 5.

The committees on the selection of a name; colors; and pins reported.

The names Poe and Lanier were chosen by the inter society committee to fall to the societies by lot. The name Poe fell to this the "A" society.

A motion was made and carried that the Poe society should have the full name Edgar Allan Poe.

The choice of colors after the discussion of several plans was deferred. The plans were as follows, that the school colors should be divided and white put with each color, and that the inter society committee should choose them by lot: the other plan was that the society should make a choice from any colors it might select to be chosen from.

An original pin was decided upon, to be designed later.

A discussion of fees came up, whether or not the fee should be lessened for this term. It was decided to let it remain fifty cents as first planned. Suggestions as to what should be done with the society funds came up. A suggestion from the inter-society committee offered by Miss E. Pugh was put into a motion and carried. The suggestion was that as an evidence of the great love and respect the school holds for its two founders Governor T. J. Jarvis and Mr. W. H. Ragsdale and as a compliment to them, the society funds be used
