Mr. H. E. Austin from the Lanier Society offered a resolution to be adopted by the Edgar Allen Poe Society should it see fit. The resolution was that the societies work together and have portraits made of the two men to whom the school owes a debt of gratitude and love, Gov. Jarvis and Mr. Ragsdale.

The resolution was submitted to a committee consisting of the misses Dowell Lancaster, Campbell and Mr. L. R. Meadows, after the society had discussed the attitude taken by the Lanier society in assuming the initative. The committee after making changes in the wording of the resolution brought it before the Edgar Allen Poe society and it was adopted, provided the Lanier Society accepted the changes. The question was left until the call meetings of both societies on may 22.

A call meeting of the Edgar Allen Poe Society was held may 22. A favorable report from the Lanier Society putting the resolution as a joint motion from both societies was given by Mr. L. R. Meadows.

A motion was made and carried that a committee to act in coordination with, one from the Lanier society and two members of the faculty, be appointed at this meeting. The business of this committee is to obtain funds for the portraits. Misses J. B Morrill and E. C. Campbell were appointed.

A motion was made that a temporary president be elected.
