Then a letter was read from the Lanier Society thanking our Society for the invitation to the play which was given Feb. 12, 1916.

The subject of the Society pins was brought up. It was moved and seconed that the of the Society go to see Mr. Best (Jeweler) about the pins as there was some misunderstanding about the price.

The question of choosing the marshals came up, and after some discussion it was moved and seconed that our President go to see Mr. Wright about this.

Then a favorable report was given from the debaters, also from the treasurer, and postal committee, and there was no report from the flower committee as the chairman said the flowers would not come up.

The meeting now adjourned, and went to the auditorium, as it was eight o'clock, to join the Lanier Society to hear Mr. Busbee tell us about the plan for the campus.

Call Meetings.

On Mar. 20, 1916 there was a call meeting for the purpose of letting the Society know about the compromise which had been made between the Society Pres. and Mr. Best concerning the Society pins.

On Mar. 24, 1916 there was a call meeting of the E. A. P. Society. It was moved and seconed, after some discussion, that the Society give $150.00 to have Mr. Busbee come and see about planting the campus. $100.00 was given for the plants, and $50.00 was given to pay Mr. Busbee's expenses.
