The Society decided to have a programme at its next meeting as such a short one had been prepared for this meeting.

The Society instructed the Secretary to invite the High School, the Lanier Society, the Ladies Clubs and any others whom Miss Muffly might suggest, to our play which is to be given on Thanksgiving Night, Nov. 27, 1919.

There being no further business the meeting was turned over to the Program Committee who had prepared a brief program.

The meeting adjourned,

Helen Bahnson, Sec.

On December 13th, 1919, The Poe Society held its regular business meeting. The House was called to order by the president; the roll was called and the minutes read and approved.

Reports were given as follows: Treasurer $111.92. $35.00 collected for Sweeping Halls; Chairman of program committee promised some very interesting programs for "after Xmas"; Chairman of Poster Committee reported a poster made every two weeks.

The Secretary read an invitation from the Lanier Society to attend a play given by them, that night, and was instructed to write the Society's acceptance.

The president then told us of a most wonderful plan she had — that of having Dr. Birchead address us on Poe's Birthday. She also explained that Mr. Wright was cooperating with the Society to the extent of giving us $50.00 on our expenses.
