The question about entertaining the Alumni came up. It was discussed and Miss Taylor moves that program committee and president give, in form of a summary, what has been done during the year. Miss Cannon seconds motion and society carried it.
Miss Taylor suggests that a rising vote of thanks be given all officers who have served during the year. The new president, in behalf of the society, presents the ex-president, Miss Taylor, with a sum of $4.50 for the purchase of a school seal. In a few well chosen words the ex-president expresses her thanks and appreciation to the society for the gift.
There was no report from the critic.
As there was no other business the society adjourned.

Annie H. Felton, Sec.
