## THE ACADEMIC PROCESSION

*For the benefit of our visitors the following information, digested from "An Academic Costume Code and Ceremony Guide" prepared by the American Council on Education, may prove helpful in identifying the costumes you will see in the Commencement Procession.*

In the procession, first come the speakers, trustees, administrative officers, candidates for honorary degrees and other members of the platform party, then the faculty; and finally the candidates for degrees arranged in the order in which the degrees are to be conferred.

The history of academic dress reaches far back into the earliest days of the oldest universities. A statute of 1321 required that all "Doctors, Licentiate, and Bachelors" of the University of Coimbra wear gowns. In England, in the second half of the 14th century, the statutes of certain colleges prescribed the wearing of a long gown. When American colleges and universities desired to adopt some suitable system of academic apparel, a conference held at Columbia University in 1895, made up of representatives from various institutions drew up a "By-law, Regulation, or Statute" for the establishment of a suitable code of academic dress for colleges and universities in the United States. This code, with modifications made in 1959 by The Committee on Academic Costumes and Ceremonies of The American Council on Education, is still in force; the costumes and colors, trimmings, and patterns you will see are all traditional, and interpret both the degree and field of learning. The bachelor's gown, designed to be worn closed, has pointed sleeves, the master's gown, which may be worn open or closed, has an oblong sleeve open at the wrist which hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has the arc cut away. The doctor's gown has bell-shaped sleeves. It may be worn open or closed.

Black is the recommended color for all academic gowns. Bachelor's and master's gowns are untrimmed. Doctor's gowns are faced with black velvet, with three bars across the sleeves; or the color of the velvet may be that which is distinctive to the degree, agreeing with that of the edging of the hood. The colors you will see in the hoods and gowns of our faculty represent the various fields in which the degrees were taken:

<b>Apricot</b> .....	Nursing	<b>Olive-Green</b> .....	Pharmacy
<b>Brown</b> .....	Fine Arts	<b>Orange</b> .....	Engineering
<b>Citron</b> .....	Social Work	<b>Pink</b> .....	Music
<b>Crimson</b> .....	Journalism	<b>Purple</b> .....	Law
<b>Dark Blue</b> .....	Philosophy	<b>Sage Green</b> ...	Physical Education
<b>Golden Yellow</b> .....	Science	<b>Salmon Pink</b> .....	Public Health
<b>Green</b> .....	Medicine	<b>Scarlet</b> .....	Theology
<b>Lemon-Yellow</b> .....	Library Science	<b>Yellow-Brown</b> .....	Commerce, Business, Accountancy
<b>Light Blue</b> .....	Education	<b>White</b> ...	Arts, Letters, Humanities
<b>Lilac</b> .....	Dentistry		
<b>Maroon</b> .....	Home Economics		

The hoods, differing in length for the three degrees, bachelor's, master's, and doctor's, are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other. Hoods are edged and bound with velvet of the color appropriate for the degree. You will see in our procession many edged with the dark blue, for doctor of philosophy.

Mortar boards are the approved headgear. The tassel, worn on the left side of the cap, may be of gold if the holder has a doctor's degree.

## COMMENCEMENT SPEAKER

*Judge James Andrew Wynn, Jr.*

Judge James Andrew Wynn, Jr. was born and reared in the Gold Point community of Robersonville, North Carolina and attained his early education in the public schools of Martin County, graduating from Robersonville High School in 1972. After earning a bachelor's degree in Journalism at the University of North Carolina at Chapel Hill, Judge Wynn spent a year heading a Volunteers In Service to America [VISTA] project in Greenville. He earned a law degree in 1979 from Marquette University in Milwaukee. In 1995, he earned a Master of Laws Degree in Judicial Process from the School of Law at the University of Virginia.

Judge Wynn's legal career began in the Judge Advocate General's Corps of the United States Navy. He served four years on active duty at the Naval Legal Service Office in Norfolk, Virginia. Now in his twenty-first year as a Navy Reserve Officer, he holds the rank of Captain, is Staff Judge Advocate for the Commander for Naval Reserve Readiness Region Six, and has received the Meritorious Service Medal and the Navy Commendation Medal.

Upon returning to North Carolina, Judge Wynn served in the Appellate Defender's Office before entering private practice. He was elected to the North Carolina Court of Appeals in 1991, and, in 1998, Governor Hunt appointed him to serve out the term of a retiring justice on the Supreme Court of North Carolina. Following his narrow defeat to be elected to the Supreme Court, Governor Hunt appointed him back to the Court of Appeals to serve out a term that ends in 2000. President Clinton has nominated him to serve on the United States Court of Appeals for the Fourth Circuit and that nomination is pending in the United States Senate.

He is married to the former Jacqueline Rollins, an associate director for the North Carolina Area Health Education Center in Chapel Hill, and they have three sons. Javius is a freshman at Princeton University, Conlan is a fifth grader, and Jaeander is a preschooler. Judge Wynn serves on the deacon board of Providence Missionary Baptist Church in Robersonville.

## EAST CAROLINA UNIVERSITY MACE, LOGO, AND SEAL

The **mace**, a medieval weapon, has become through the centuries an insignia of university authority. In this instance it represents the continuity of the institutional governing body.

Some forty-three inches long and weighing approximately fourteen pounds, the East Carolina University mace is constructed of sterling silver. It features a unique purple fluorite crystal cluster contained within a gold-plated cage. The shaft of the mace has a hammered texture and is divided in the center by a pierced band. The pierced design is repeated at the mace boss (symbolic head) and terminus. The terminus is a representation of the historical weapon head which has diminished in size as the mace has changed from a weapon to a symbol. The same representation of symbolic use has increased the size and importance of the boss or mace head. The mace bears the inscription *East Carolina University 1907*.

This handsome mace was designed and executed by John Satterfield of the Design Department of the East Carolina University School of Art, who comments on the design concept: "In designing the East Carolina University mace I have attempted to maintain the visual integrity of a traditional mace and at the same time create a contemporary symbol which is unique to this institution."

The East Carolina University **logo** uses historic arches to unite the University's heritage and its future over the words East Carolina University. The logo, which will be used on all University publications and stationery, was adopted in 1989 after a year-long study by the Image Task Force to develop an integrated and consistent visual identity system for the University.

Old Austin, East Carolina's first auditorium, classroom, and office building, introduced arched doorways to the first entering class in 1909. The motif dominates Wright Auditorium and continues in the striking entrance to the General Classroom Building. The concept can also be seen throughout the campus in doorway and window treatments.

The logo is not a picture of a particular arch. Rather it is stylized to capture the University's contemporary and historic elements in order to suggest a timeless quality and the distinctive character of East Carolina University.

Arches have been used in architecture for centuries to symbolize buildings of prominence, stature, and dignity. Arches also suggest doorways or entryways. For East Carolina University, the arch suggests not only the academic stature and strength of the University but also the doorway to education that East Carolina has been and will continue to be for future generations of students.

The official East Carolina University **seal** is a six-cornered shield encased in a circular border containing the name, location, and founding date of the University. It appears on the diploma. The shield represents the "shield of trust," as was used in the Crusades.

The motto *servire*, meaning *to serve*, is emblazoned on the scroll. The blazing torch and the open *Book of Knowledge* symbolize education and the service rendered to the students by the University. The ink pot and quill, symbols of scribes, represent the creative arts and the contributions of the students to the world of business. The pirate is the school mascot.

The central motif of the design—a shield within the shield with Polaris, the guiding star, behind the two half globes that make up the world—expresses the idea that East Carolina University has the mission to educate graduates who will serve to the four corners of the world.

## THE NATIONAL ANTHEM

*Oh! say, can you see, by the dawn's early light,  
What so proudly we hailed at the twilight's last gleaming?  
Whose broad stripes and bright stars, thro' the perilous fight,  
O'er the ramparts we watched were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air,  
Gave proof thro' the night that our flag was still there.  
Oh! say, does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?*

— Francis Scott Key

## ALMA MATER

*Praise to your name so fair,  
dear old East Carolina  
Your joys we'll all share,  
and your friends we'll ever be.  
We pledge our loyalty  
and our heart's devotion  
To thee, our alma mater, love and praise.*
