For Illustrations and Prices of Shoulder Caps and Abdominal Supporters see Index.

When Ordering Elastic Hosiery, state Quality desired.

Give measurements at points indicated, and for a garter hose, give length from floor to the garter line (E).

For a stocking intended for above the knee, give length from the floor to the knee (F), and length from the knee to height desired.

All of our Elastic Stockings have the Patent Seamless Heel, avoiding chafing, etc.

Send for measurement blanks, we will cheerfully furnish same.
