No. 4 Back Rest, with both arms and head-rests,

The "Solid Comfort" Rest is a convenience which, having once employed, no one would do without. It relieves much of the discomfort of temporary illness, and is simply indispensable to such as are compelled to endure a prolonged siege of sickness and the invalids who have to spend most of their time in bed.

To the attendants in the sick room it does away with much arduous labor. It can be used with or without a pillow, or can be placed under a mattress if preferred. It will be seen by accompanying illustrations that we make them in a variety of styles.

No. 1 Back Rest, without arms or head-rests, oak frame, . . . \$3.40

No. 2 Back Rest, with arms, but without head-rests, oak frame, . . . 4.00

No. 3 Back Rest, with head-rests, but without arms, . . . 4.00

No. 4 Back Rest, with both arms and head-rests, . . . 4.80
