

THE PROFESSIONAL COMBINATION BATTERY.

A Good, Portable
Battery at a Low
Price.

This outfit is the same as the Professional Galvanic, with 30 dry galvanic cells. Has cell selector, polarity changer, milliammeter and first-class faradic coil, operated with separate dry cells. This battery gives a galvanic and a faradic current.

No. 1 Combination 30-Cell Galvanic, with Faradic and Meter. Price\$40.00
