

The Improved "Yale" Surgical Chair.

Pronounced the *ne plus ultra* by the Surgeon, Gynæcologist, Oculist and Aurist.

Fig. I—Normal Position.

Fig. IX—Chloroform Narcosis Position.

Fig. III—For Examinations.

The "YALE" is the most complete Chair ever offered to the Surgeon, Gynæcologist, Oculist or Aurist. Every position known to the profession is easily and quickly obtained. Has the largest range of movements. Can be firmly locked in any desired position.

Does away with moving patient to get dorsal position. Secures the most desirable inclinations for the Sim's position. Can be raised, lowered, revolved or tilted with patient in position to get the best lights. It is the **STRONGEST AND MOST SUBSTANTIAL CHAIR MADE.**

IT HAS NO EQUAL

In Range of Movements and Positions and Ease of Adjustment.

IT EMBODIES

Utility, Beauty, Convenience and Durability.

Fig. V—Semi-Reclining.

Fig. XVII—Dorsal Position.

Each Chair is supplied with the most complete stirrups for Gynæcological practice, also with the **Gould Head Rest**, which is universal in its adaptations for the Aurist and Oculist. No other Chair can compare with the "YALE" in completeness, strength, adaptation, convenience and finish. We challenge competition, and solicit an investigation of its merits.

Fig. XIX—Trendelenburg Position.

Hundreds sold every year, and every one giving the best of satisfaction is the best evidence that they are not only the **BEST**, but are just as represented. Do not be deceived in buying any other that is "just as good" as the "YALE". It can not be done. We have features in the "YALE" patented to us that no one else can use. Decidedly the **BEST** Chair on the market for the price.
