Utzmann Syringes, 2 ouncesnet, \$1 35
 " " 5 " " 2 25

The above is for use in the treatment of diseases of the urethra and bladder according to the **Utzmann** method, as advocated by **Dr. Robert W. Taylor, Professor of Venereal Diseases** in the College of Physicians and Surgeons, New York, whose advice has been followed in the construction of this instrument, and, after a thoroughly satisfactory test, it is offered to the medical profession as meeting all requirements of the above mentioned treatment. The pipe is tapered so as to admit of any sized catheter being used.

Seeley's Pile Pipeper dozen, \$4 50; each, \$0 50

All Instruments designated with a * are illustrated.
