

PHYSICIANS' HAND AND BUGGY CASES.

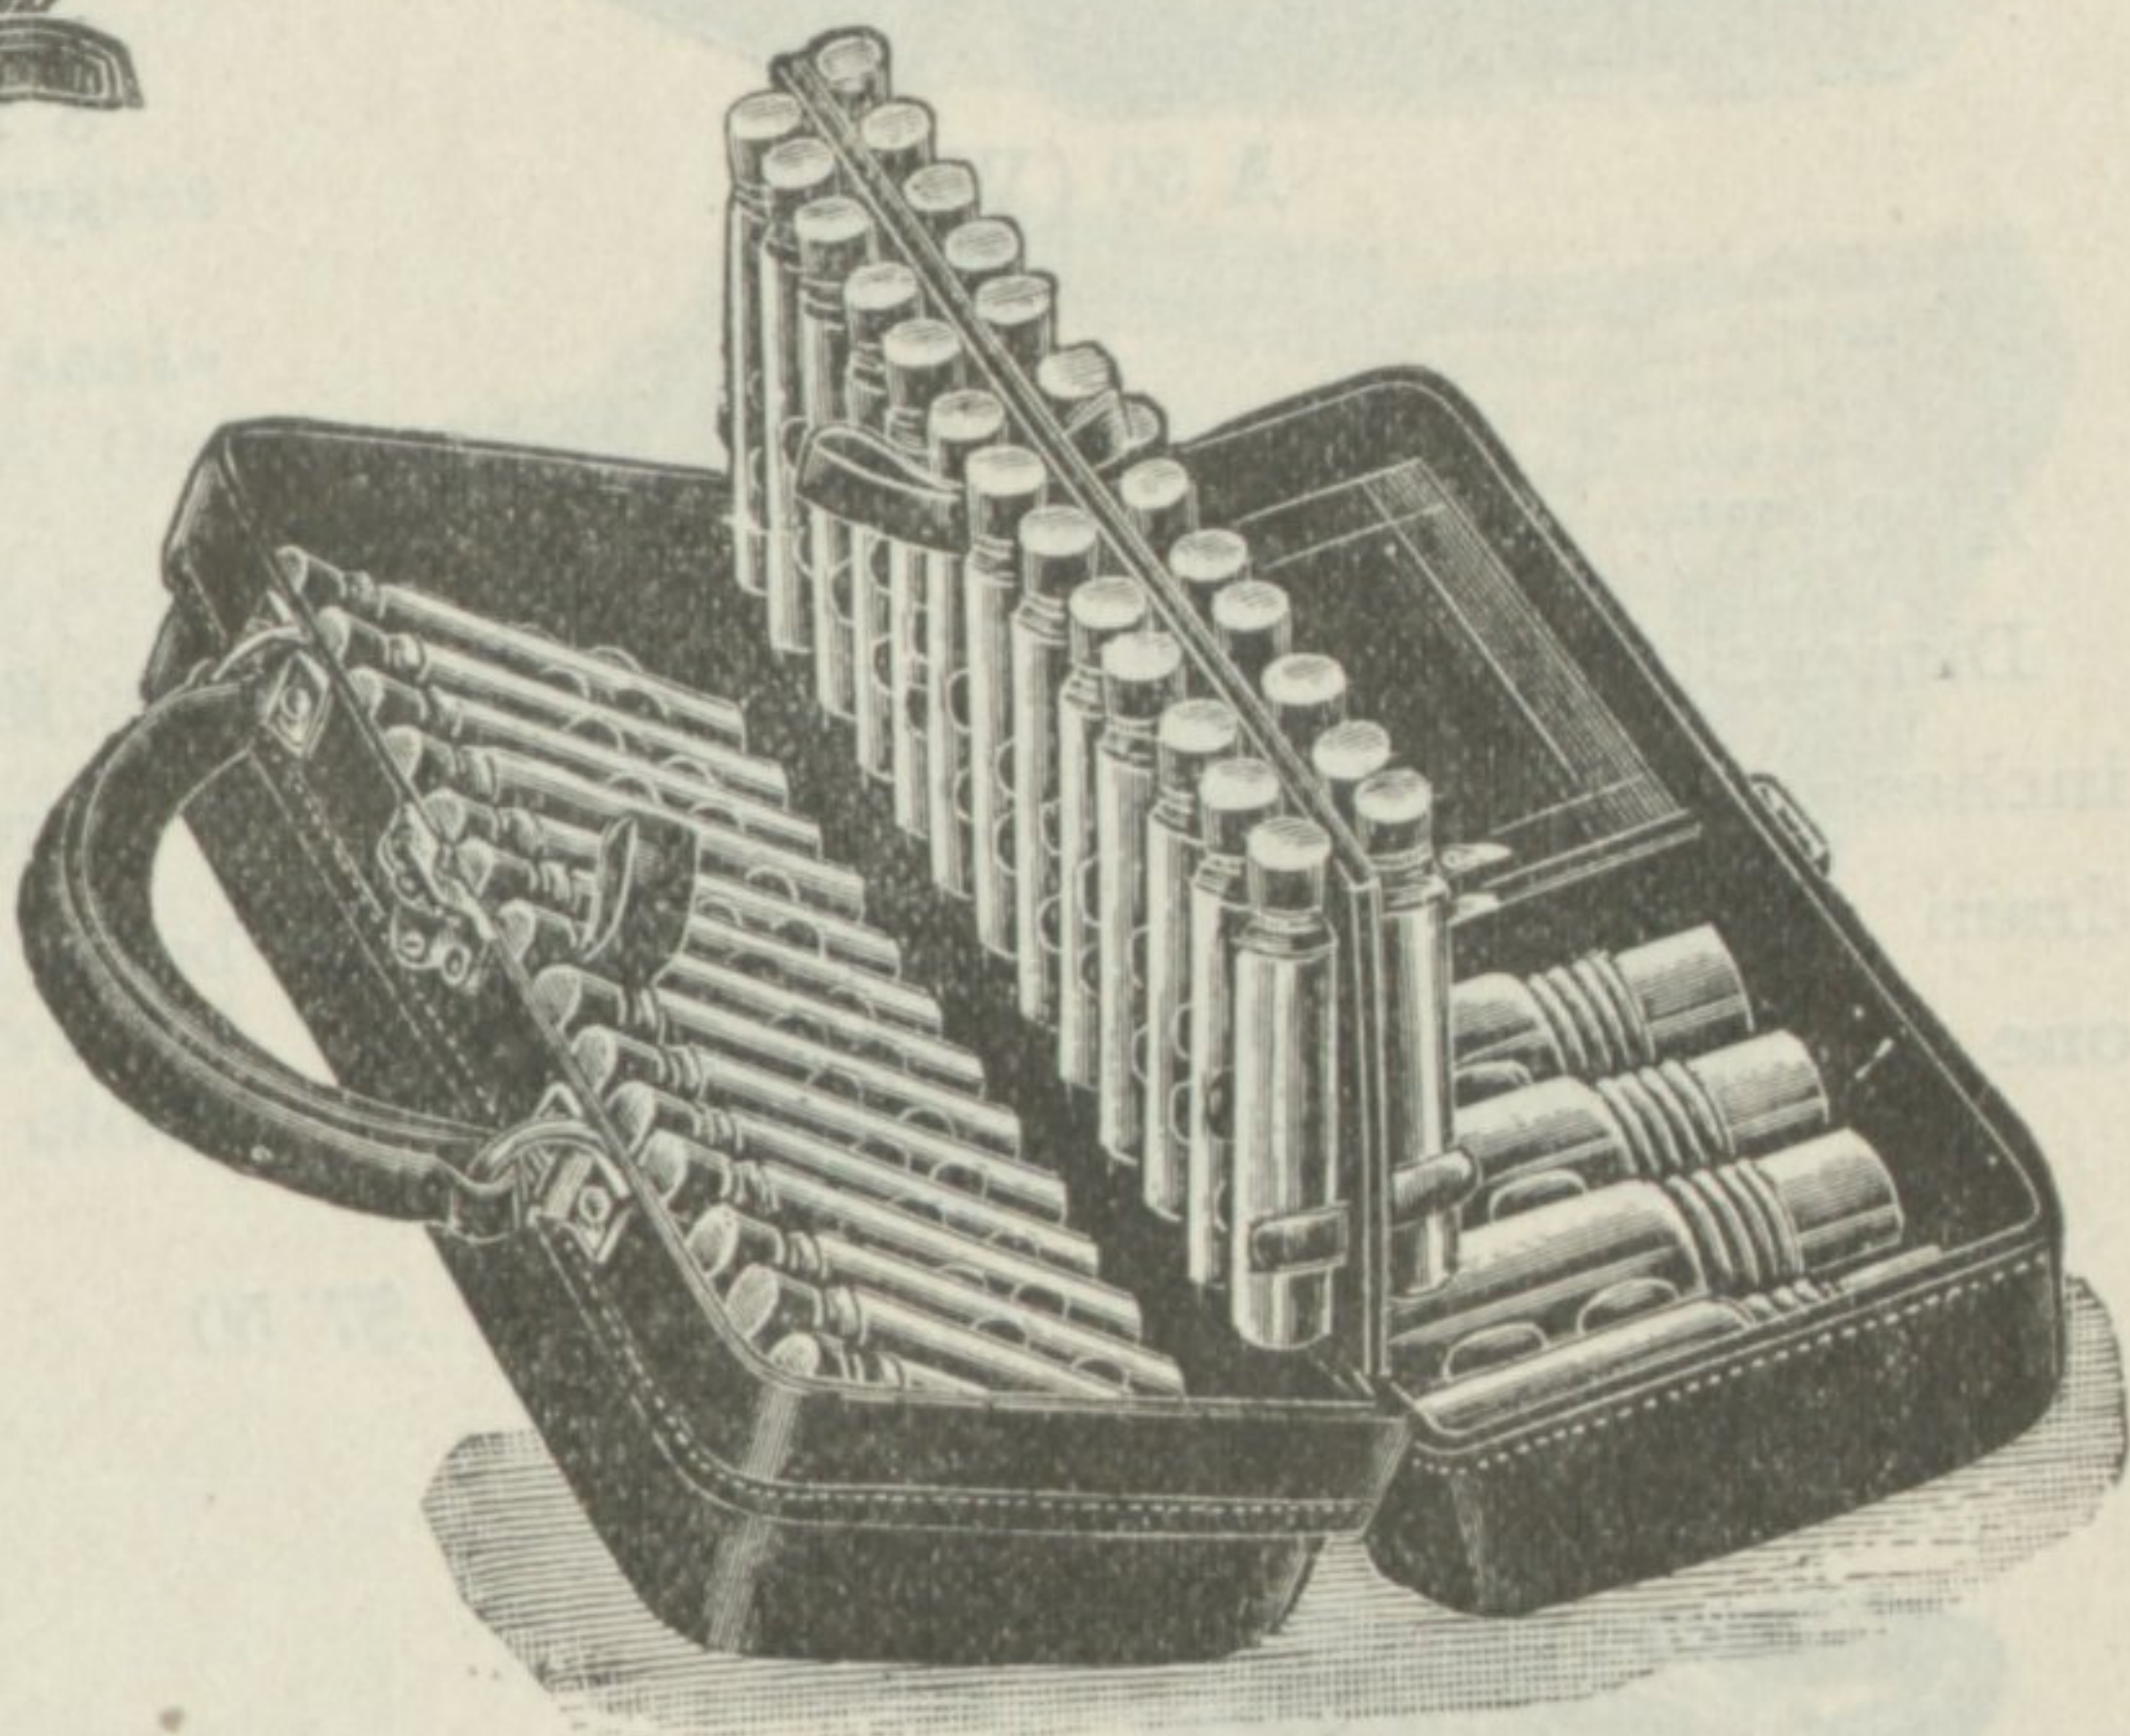

24 (C)

24 (C) This case is **solid sole leather**, hand stitched, and contains 5 two ounce glass-stoppered bottles, 7 one ounce and 9 four dram corked vials. Pockets for sundries and a detachable shoulder strap. Size of case, 8x5x4 inches. Price....\$4 50

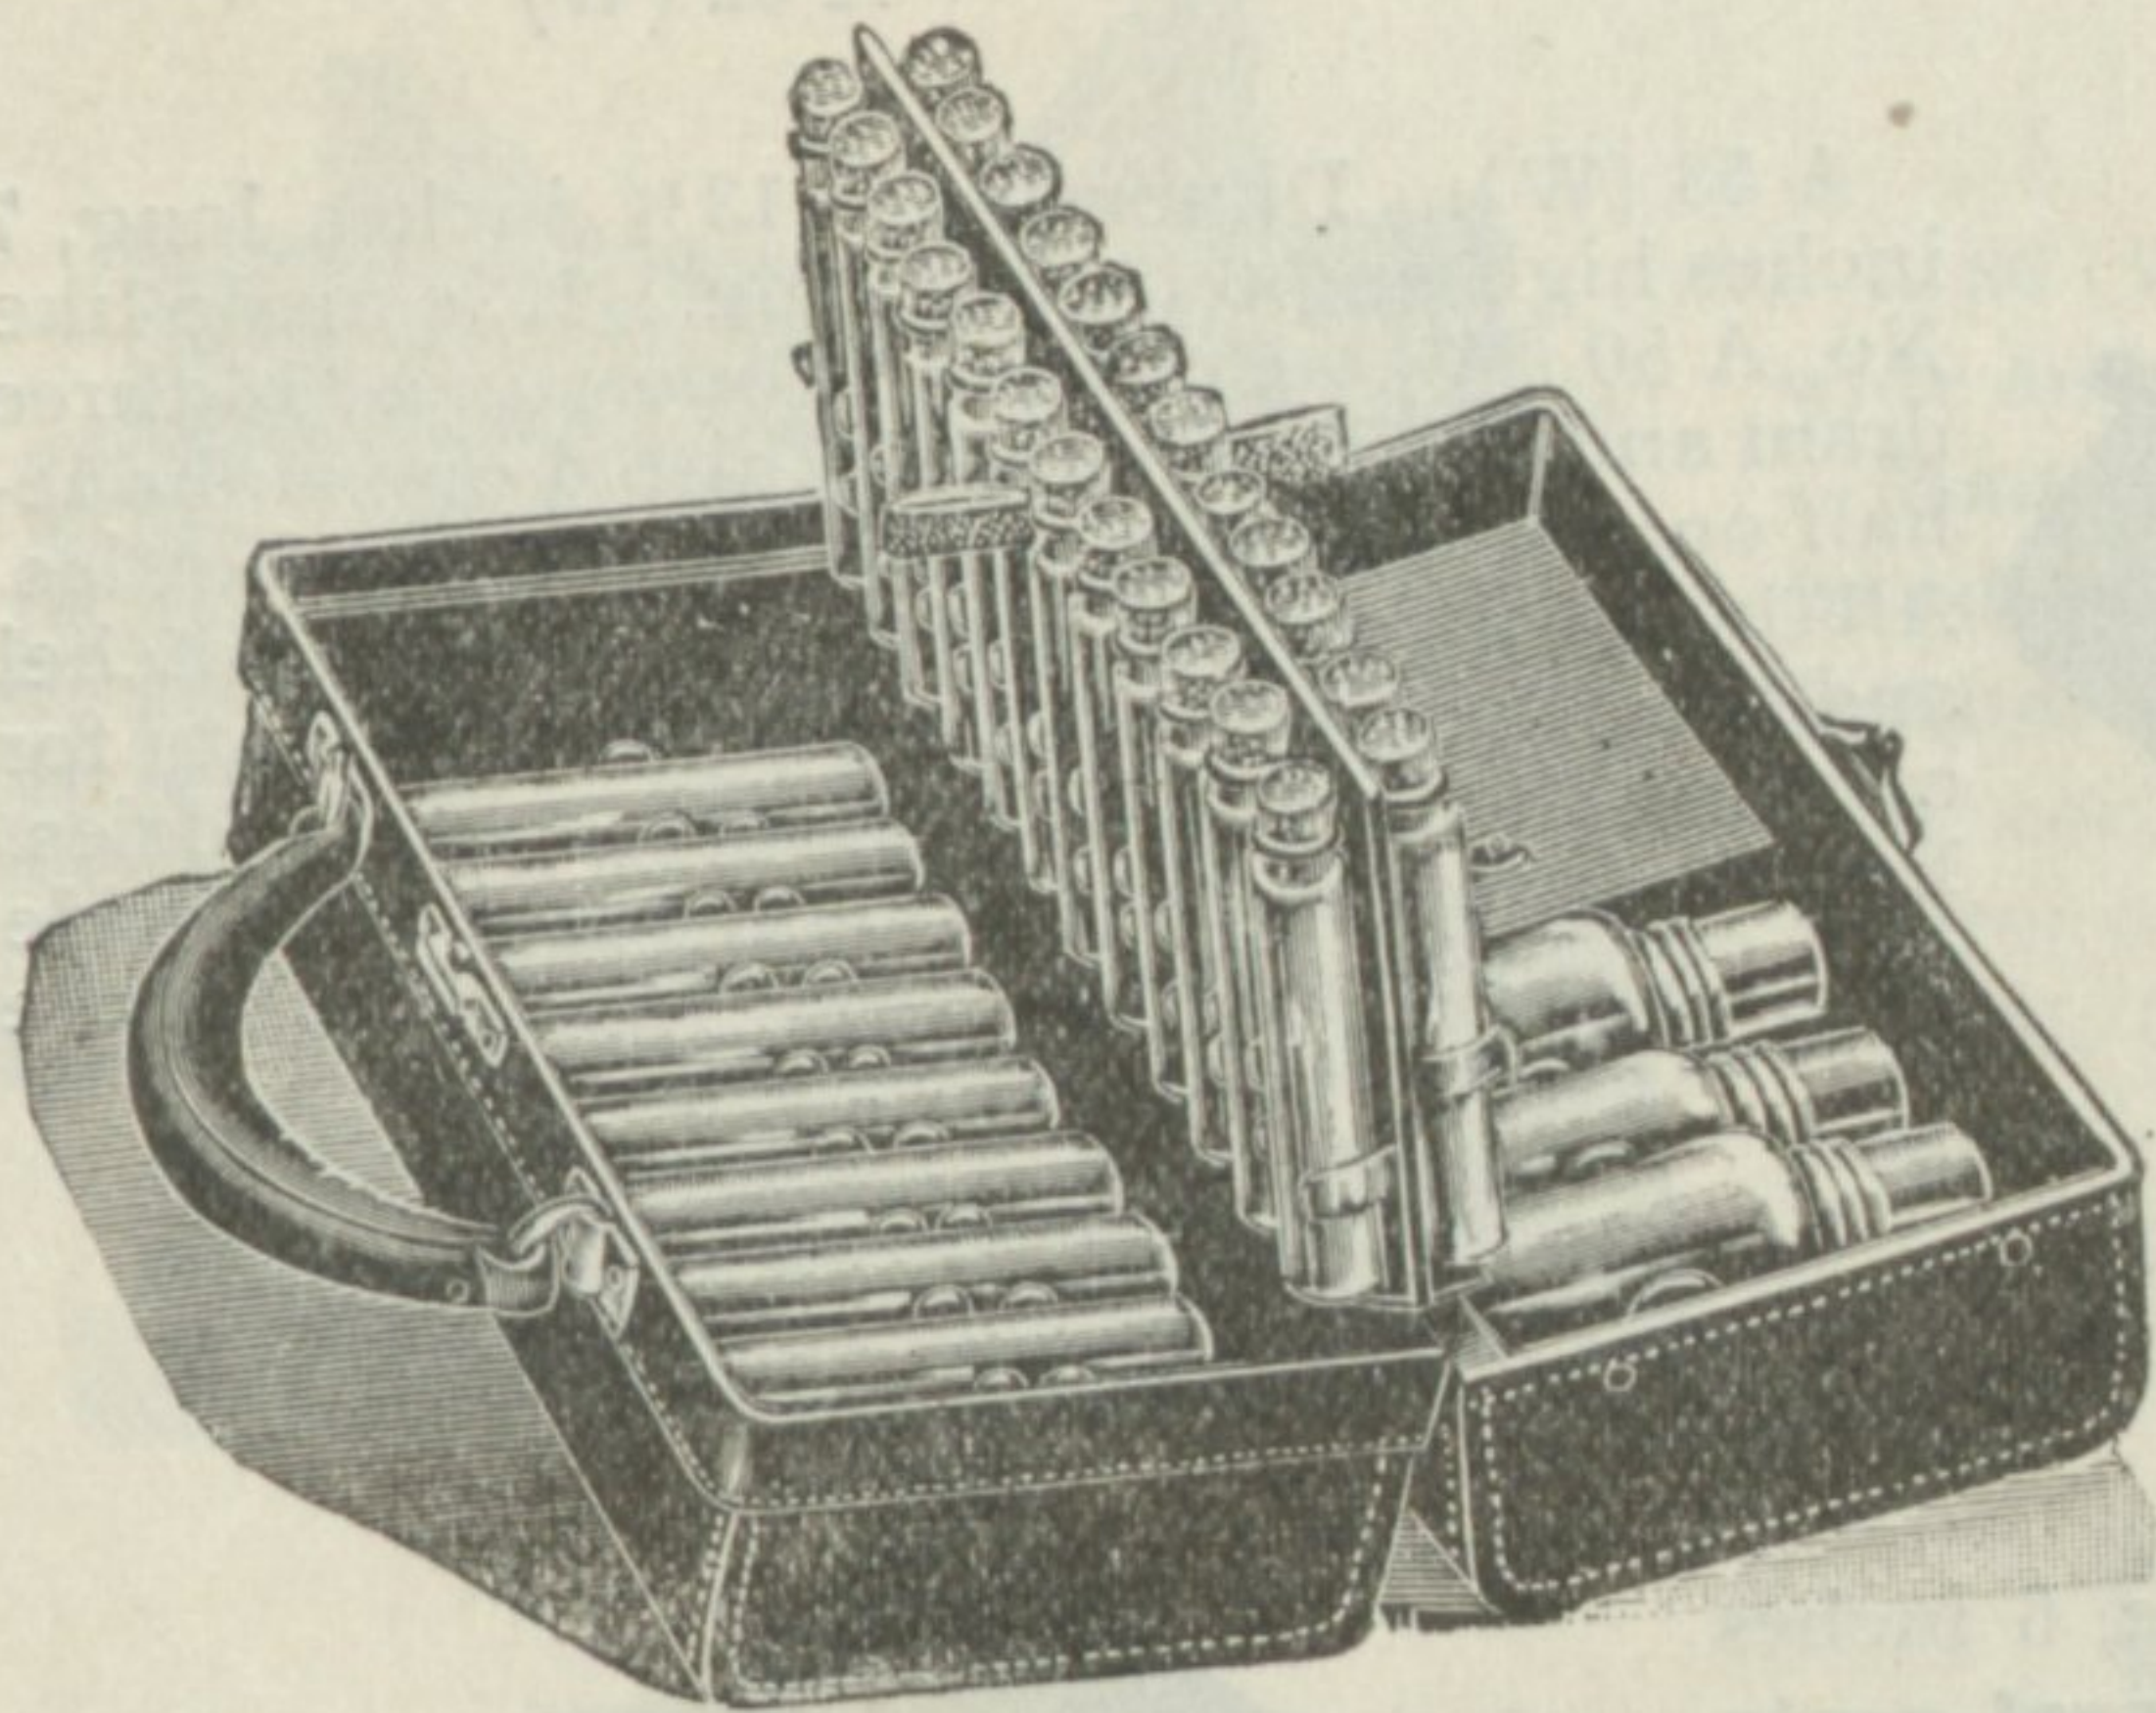

42 D (C) A case constructed of **solid leather** pressed into shape. Contains no wood nor paper nor cardboard in the construction of its frame, which is all solid leather only. Holds 26 four dram and 10 six dram corked vials; also 4 one ounce glass stop metal-capped bottles and space for sundries. Price....\$7 50

42 E (C) **Solid leather** hand stitched case, with the same interior arrangement as 42 D (C). The difference between this case and the 42 D (C) is only that each half of 42 D (C) is of heavy leather, pressed in a die out of one piece of leather, without seams. Size, 10½x4x5¼ inches. Price.....\$6 75

42 F (C) is the same as 42 E (C), but with the following interior arrangement: It contains 26 four dram and 20 seven dram corked vials. Size, 10½x4x5¼ inches. Price.....\$6 75

42 D (C)

38 (C)

38 (C) This case is of **solid leather**, hand stitched. It is not a wooden box, covered with leather, but its body is just what it professes to be, of solid leather.

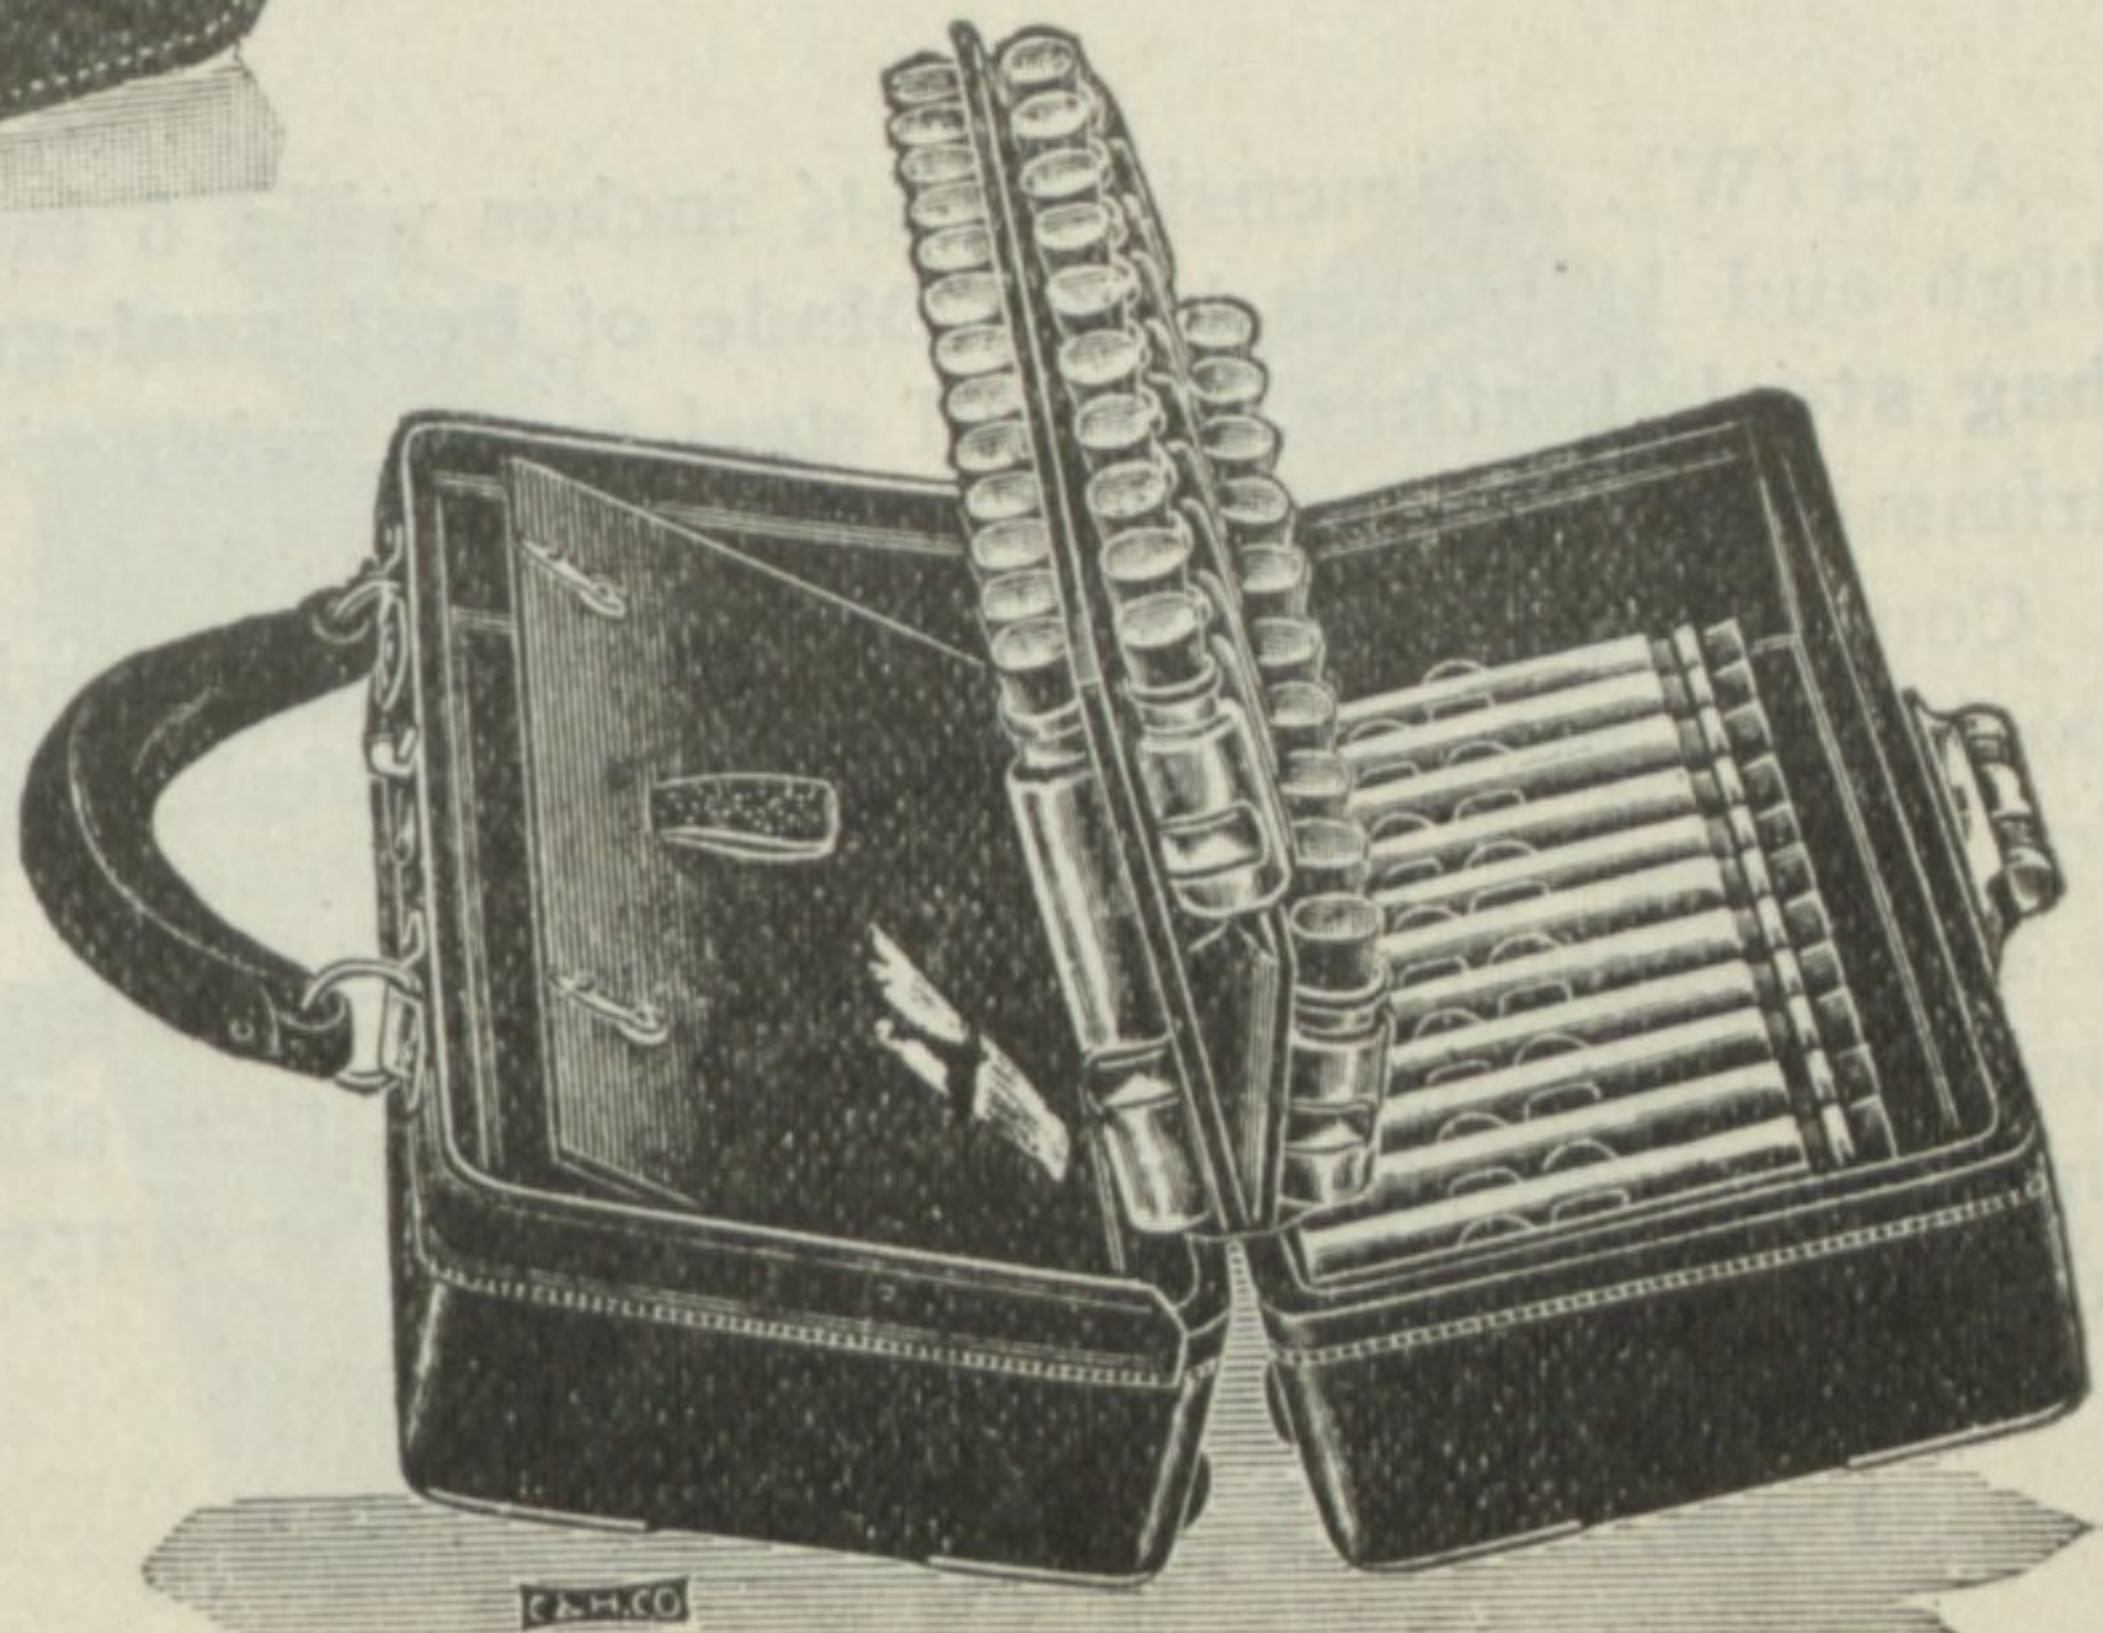

Contains 10 one ounce, 28 six dram corked, and 4 two ounce glass stoppered, screw-capped safety bottles, with covered space for instrument case. Size, 11½x4x5¾ inches.

Price.....\$8 00

32 (C) It is covered with **best harness leather**, hand stitched, drawn over in one piece. No thinned edges or corners. Dust proof. Neat, small nickel protective corners. Extremely durable, contains 27 five dram and 20 two and one-half dram corked vials, with a separate covered space on one side for surgical instruments or dressings.

Size, 10½x3¾x5¼ inches.

Price.....\$3 00
