

GYNÆCOLOGICAL AND OBSTETRIC BAGS.

No 6599 A — Closed.

No. 6599 A — Open.

We bring to the profession a very attractive bag of the latest and most desirable pattern, combining all the merits of the Cabin Bag in a form which is perhaps more pleasing in appearance and at a somewhat lower price. The quality of leather and workmanship is quite the equal of any of our other goods. Leather lined. Loops are upon both sides of the lids as in the Gerster Bag. Frames of brass nicked or brass polished. Height of bag, 8½ inches; width of bag, 5½ inches.
