

MAX WOCHER & SON, CINCINNATI, O.

Commercial Grades of Bougies and Catheters

of Cotton, Linen or Silk Web, Standard Quality.

For the convenience of such practitioners and patients who dislike the frequent use of one and a same Catheter or Bougie, and therefore prefer a less expensive quality, we carry a large assortment of a standard grade, woven of cotton, linen or silk which is web, and coated with best grade linioxyline. This line of goods cannot be boiled in water.

cylindrical

conical

olive pointed

Mercier's coudé
