

YOU CAN'T KEEP A GOOD THING DOWN.

THE BUTLER CHAIR

IS A GOOD THING
THE BEST IN THE MARKET
WITH PRICE RIGHT

Why pay double the money for a table when you will not use it for anything more than minor cases of surgery, or examinations and treatments in gynæcology? All of this you can do much more conveniently on our chair, and it will cost about half the money.

All major cases are generally taken or sent to a hospital or sanitarium where they are especially prepared for such cases.

FOR ALL OFFICE WORK

our BUTLER CHAIR meets every requirement in the most satisfactory manner, both to you and your patient.

List price, \$60.00.

Special cash price, \$35.00.
