

IMPORTANT NOTICE ABOUT THERMOMETERS

The Bureau of Standards, Department of Commerce and Labor, Washington, D. C., tested a large number of Clinical Thermometers purchased from drug stores throughout the United States. The result was surprising; many varied to such extent that they are valueless for testing the temperature with any degree of accuracy.

Recognizing the importance of this, we only handle the most celebrated makes, which have stood repeated tests, and can recommend

HICKS' STANDARD THERMOMETER,	-	-	-	\$.90
HICKS' LENS FRONT THERMOMETERS,	-	-	-	1.50
WOCHER'S FAMILY THERMOMETER, Plain,				50c.
