

## Housing For Men Students Investigated By Mr. Garrett

Dr. Howard J. McGinnis, acting president of the college, has sent to 100 alumni in various sections of the state a letter explaining the campus building program proposed by college authorities. Asking for their encouragement and support in carrying out the plan, Dr. McGinnis states that the program will involve the spending of close to \$3,000,000 over a period of years.

Emphasis was placed by the Board of Trustees, on the reconversion of Ragsdale Hall, which is now the teacher's dormitory, into a dormitory for the new students. This would necessitate the erecting of a new building to house faculty members, possibly including rooms and apartments.

A health and physical education building, a new library, a dormitory for women, a workshop, the remodeling of Austin Building, and completion of the Training School and Education Building were the other suggested additions and improvements to be made on campus.

In his letter to Alumni, Dr. McGinnis says that "the College must improve its facilities for housing and educating the young people who enroll here." He also pointed out that the college is initiating a program for the improvement of instruction and for raising the standard of scholarship among students.

## Alumni Asked To Support Project

Dr. Howard J. McGinnis, acting president of the college, has sent to 100 alumni in various sections of the state a letter explaining the campus building program proposed by college authorities. Asking for their encouragement and support in carrying out the plan, Dr. McGinnis states that the program will involve the spending of close to \$3,000,000 over a period of years.

Emphasis was placed by the Board of Trustees, on the reconversion of Ragsdale Hall, which is now the teacher's dormitory, into a dormitory for the new students. This would necessitate the erecting of a new building to house faculty members, possibly including rooms and apartments.

A health and physical education building, a new library, a dormitory for women, a workshop, the remodeling of Austin Building, and completion of the Training School and Education Building were the other suggested additions and improvements to be made on campus.

In his letter to Alumni, Dr. McGinnis says that "the College must improve its facilities for housing and educating the young people who enroll here." He also pointed out that the college is initiating a program for the improvement of instruction and for raising the standard of scholarship among students.

## Former Engineer Resumes Job

George E. Barber, who has been on leave of absence from East Carolina Teachers College since 1942, has taken over again his work as chief engineer in charge of the central steam plant and all college utilities. H. P. Markham, who has been chief engineer at the college during Mr. Barber's absence, is in the laundry business in Greenville.

Mr. Barber recently discharged from the army, entered service in July 1942, and was a captain in the First Engineers Amphibian Brigade. He was stationed in the British Isles for part of his service abroad and took part in campaigns in the Mediterranean Theater.

For over two years before entering service, Mr. Barber was chief engineer at the college here. He is a graduate of State College and formerly lived in Reidsville.

## Lt. 'Bobbie' Hollar Speaks To Group About China

The International Relations Club met for its first meeting of the winter quarter January 22 in the Y-Hut. The meeting was called to order by the President Ada Lou Allen. After the business was finished, the meeting was turned over to the Program Committee. Virginia Green introduced the speaker for the evening, Lt. Robert Hollar (known to the old students as "Bobby"). Lt. Hollar, who has spent the last twenty-one months in China, gave a very interesting talk on China and her problems of today. He said that although their civilization was not very progressive at the present, it would be some what improved in the near future. Lt. Hollar stated that their language and system of writing were two of the main handicaps. It is thought that plans were being made to improve these conditions as soon as possible, maybe within the next several years.

The Y-Hut made a very pleasant place for our rather informal group in spite of the usual smoke and chilly north wind due to the necessity of having the door open so as to rid the room of smoke.

After Lt. Hollar gave his talk there was an informal discussion in which questions of interest to the group were asked. Refreshments were served during the informal discussion.

## Emersons' Sponsor First Dance Of Year Sat. Night

The Emerson Society sponsors the first dance of the New Year on Saturday night, January 26, in the Wright Auditorium. Music will be furnished by Hal Thurston and his orchestra.

The figure, which is to be surprise, will be led by Freda Caudell of Buies Creek, president of the society, with Thomas McCaskill. Other taking part are Anne Dail of Kenansville, secretary with Walter Harper; Marjorie Jones of Whiteville, treasurer, with Ralph Barksdale; Jewell Jones of Snow Hill, Techo representative, with J. C. Jones; Hortense Tyndall of Kenansville, Techo representative, with Billy McLawhorn; Sarah Picquet of Kenansville, chairman of the orchestra committee, with Morris Griffin; Catherine Burnette of Wilmington, chairman of invitation with Major C. H. Burnette; Jayne Griffin of Edenton, chairman of Chaperone Committee, with Larry Johnson; Elizabeth Cox of Greenville, with Elmer Cox; Mildred Jordan of Elm City, chairman of the decoration committee, with Joe Engload; Anne Morris of La-Grange, chairman of refreshment committee, with John Kinsey; Peggy Barney of Grifton, with Joe Tew; Penny Smith of Raleigh, with Blaine Moyer; Colline Clark of Wilmington, with Wayne Thomas; Trudy Laughlin of Wilmington, with Bob Addelemon; Faye Jessup of Henderson, with Joe Rowland; Elgia Scott, Miss New Stallings, society adviser.

A. B. Andrews (right) receives from Howard J. McGinnis, Acting President of East Carolina Teachers College, a bound set of letters from students and alumni who have received the Helen Sharples Andrews Scholarship.

## Pearl Arnold Receives Helen Andrews Scholarship

## Largest Audience Since War See 'Romeo And Juliet'

The National Classic Theatre production of Shakespeare's "Romeo and Juliet" on Tuesday, January 15, in the Wright Auditorium brought to the campus the largest audience to attend a college entertainment since before the beginning of the war. Approximately 1,400 people from Greenville and surrounding towns were present for the drama. 742 of them ECTC students. Seventy-five people came on a chartered bus from New Bern. Only a few seats in the balcony and the last two rows downstairs in the auditorium were vacant.

In commenting on the performance, Miss Marguerite Austine, chairman of the College Entertainment Committee said that she and other members of her committee were pleased by the interest shown throughout eastern North Carolina.

The play, directed by Clare Tree Major, pleased the audience and the scenery by Irving Morrow was designed to permit various changes to fit the scenes. Costumes by Marion DesPew were colorful and attractive and special lighting effects increased the effectiveness of the production.

Olga Balish as Juliet, Stewart Long as Romeo, Charles Gilbert as Mercutio, Justine Johnston as the Nurse, and Theodore Allegretti as Benvolio won applause for their acting. Frederick Ritter, as Friar Laurence, spoke with an accent at times but his role was otherwise satisfactory. The action was swift as should be, the line of which were considerably though skillfully cut.

Students helping with the scenery, lights and tickets were: Tom Davis, A. E. Manning, John Brown, James Briley, Earl Sawyer, Jack Johnson, Mot Jefferson, Katie Earle Owens, Ann Dail, Margorie Jones, Elsie West, Jean Roberson, and Josephine Gibson.

Next offering of the Entertainment Committee will be a recital on Friday, March 10, by Arthur Whittemore and Jack Lowe, duo-pianists of the Navy, who have delighted 1,000 of audiences of service men and radio fans by their interpretation of classic music.

## Veterans Able To Enroll Late

According to an announcement just issued from the office of Acting President Howard J. McGinnis, veterans may now enter East Carolina Teachers at any time during a quarter. Those who enter a class late will receive credit proportionate to the time as a student in it. For students other than veterans the last day for enrollment in classes for the winter quarter was Tuesday, January 15.

According to Dr. A. D. Frank, chairman of the Veterans Committee at the college here, this new policy brings East Carolina Teachers College in line with other college in the state which now give credit to late registrants and conforms to the policies of the Veterans Administration.

## Enrollment More Than Fall Quarter

Total enrollment figures for the winter quarter show that 889 students have registered for the winter quarter, according to information from the Registrar's office. Of this number, 94 are men. For the same period in 1945, the total was 844 students registered at the college, 52 of whom were men.

France and the French Ministry of Information. He secured added cooperation through the U. S. Army Signal Corps.

## Homecoming Day For World War II Alumni

## Dr. Adams Elected Honorary Member Of Phi Sigma Pi

Dr. Carl Adams was elected an honorary member of the Phi Sigma Pi Fraternity at a business meeting which was held to discuss business carried over from the fall quarter.

Dr. Adams is an outstanding member of the faculty and popular among the students. He is not only outstanding in his field of education but has, in the past, done much constructive work among the students.

The members of the fraternity expressed their desire for him to become a member saying, "We think he would be an asset to our organization in many ways."

Plans were made at this meeting for the formal dance which is scheduled for February 16. Erma Hinnant, Elgarie Manning, Jewell Porter, Kattie Earl Owens, Evelyn Collins and Eleanor Booth were elected as sponsors for the dance.

The fraternity voted on a list of names that had been selected to receive invitations to join the fraternity. An invitation committee was appointed to plan the initiations which will take place in the near future.

The members of the fraternity are giving a party in the "Y" Hut next Tuesday night honoring the sponsors. Each sponsor and member is asked to bring their dates. Gordon Davis and Leo Burks are in charge of this party.

The fraternity welcomed three of its old members who are now back in school after serving time with the armed forces. They are Leo Burks, Bobby Hollar and Belvin Beck. There are, Thomas Cox, Spencer Hatley, Doug Jones, and James Whitfield. Earl Smith and Lill Hart returned to the chapter in the fall, Hart being elected vice president soon after his return.

Gordon Davis was elected to fill the office of treasurer after a long vacancy of this office. Herman Echkoff was elected assistant secretary.

## French Exhibit In Classroom Bldg. Friday And Sat.

A French exhibit showing German propaganda used against the French during the World War will be presented by the foreign language department in the New Classroom Building next Friday and Saturday from 3-5 P. M. and from 7-9 P. M. Saturday. The material for the exhibit was collected first-hand by Mr. James L. Fleming, head of the foreign language department.

Photographs, maps, posters, pamphlets, magazines, and books depicting France under the Nazi rule shows anti-British, anti-Russian, anti-Jewish and anti-American propaganda.

The period in 1939 when the motto was, "Divide and Conquer", opens the exhibit. The invasion of the Low Countries in France in the next year, followed by all kinds of propaganda in the years under German occupation.

Pictures of the torture methods that were used by the Nazis show the stark effect on French men, women, and children. The French underground, with its desperate fighting and enemy combat, is shown in operation.

Realistically displayed is the day of the Liberation of Paris in August 1944, when the lights came on again. The problems of reconstruction and France as she honors her war heroes and condemns her traitors are vividly displayed.

France-America relations are clearly presented by showing how U. S. soldiers react to Paris.

Mr. Fleming obtained much of his material directly from France through the French Ministry of Foreign Af-

## Fraternity Brings Publisher Here

Beta Kappa Chapter of Pi Omega Pi holds its regular business meeting in the clubroom January 17. The fraternity had planned to auction a box of home-made fudge at Play Night, but since Play Night had been called off, the fraternity voted to contribute \$5.00 to the World Student Service Fund.

Plans are in the making for the coming issue of the News Letter, which will contain as much information as can be obtained of the alumnae of Pi Omega Pi of this college. Every available means is being sought to get the "doings" of these alumnae.

Early in spring quarter Mr. J. A. Pendery, head of the Personnel Department of South-Western Publishing Company at Cincinnati, will speak at the Business Education Conference. Mr. Pendery is being brought to this campus under the auspices of Pi Omega Pi and the Commerce Club. It was unanimously voted by both the organizations to invite the Home Economics Club to hear this outstanding speaker.

At the February meeting of the fraternity a pledge service will be held for the new initiates. The new initiates will be pledges of Pi Omega Pi until May when they will be initiated into full membership of the fraternity.

Plans were made at the meeting for a tea to be held February 12 in commemoration of the founding day of Pi Omega Pi on this campus.

Peggy Barney

Penny Smith

Freda Caudell

Colline Clark

Hortense Tyndall

Pearl Arnold of Dover a member of the senior class is the present holder of Helen Sharples Andrews Scholarship which amounts to about \$100 each year.

Some years ago Mr. A. B. Andrews established at the college a fund whose sum is awarded to an outstanding student in memory of his wife for whom the fund is named. Since 1924, the scholarship has been given annually. In 1940-41 four young women shared it; in other years one student benefited by the award.

Hortense Mazingo of Ayden, now Mrs. John Leon Jenkins, was first to receive the scholarship. Franklin Kizer, formerly of Washington and now of Norfolk, Va. is the only man who has been given the award. Twenty-three students of the college have received the Helen S. Sharples Andrews Scholarship since 1924.

Mr. Andrews recently received from various graduates and students of East Carolina Teachers College and attractively bound collection of letters written in appreciation of the help and encouragement offered by him through the scholarship. The presentation was made in behalf of the writers by Dr. Howard J. McGinnis. Each writer informally gives an account of experiences as a student at E. C. T. C. and tells of achievements since graduation.

In addition to the Helen S. Andrews has from time to time given money to establish a loan fund at the college. The total now amounts to about \$7,000. Recently \$500 was added to the fund by Mr. Andrews.

The College Library has a collection of books, which are a gift from Mr. Andrews. These are marked with a special bookplate. A number of the works are unusual items on Horace Mann, famous educator.

Mr. Andrews was first appointed to the Board of Trustees of this college in 1922 and served for six years. In 1930 he was reappointed and has been on the Board since that time. As a member of the Executive Committee he holds a position of importance in the group.

## Amendments To G. I. Bill To Be In Effect March 28

WASHINGTON, D. C.—Orders to have all of The American Legion-sponsored amendments to the G. I. Bill of Rights in full force and effect by March 28 have been laid down for all his staff by Omar N. Bradley, administrator of veterans' affairs.

The date conforms to the 90-day deadline set by Congress for putting the changes into effect following their approval by President Harry S. Truman, the nation's No. 1 Legionnaire. "Some of the changes have already been put into effect but others must wait upon new regulations and for new forms and procedures," General Bradley said.

"We need not wait to raise the loan guarantee from a maximum of \$2,000 to a maximum of \$4,000 and we are not waiting. We are also wiping out the 25-year age factor in educational requirements immediately making loan on approval of VA appraisers, paying the increase subsistence allowances of \$90 and \$65 a month, and we are granting benefits to Americans who fought in allied forces."

The two major benefits which the VA may not be able to put into effect until March 28 are inclusion of correspondence schools under the educational title of the bill and approval of business loans for working capital and operations, General Bradley said.

## Three Cheer Leaders Elected By Students

Three cheer leaders recently elected by the Student body to replace the ones elected last year who did not return are Evelyn Collins, Jerome Worsley, and A. E. Manning. Of the three elected, two, two Jerome Worsley, and A. E. Manning are freshmen, and one, Evelyn Collins, is a sophomore.

### The March Of Dimes Drive Deserves Your Full Support

The March of Dimes campaign, which began on Monday, January 14, will end Friday, February 1, with the annual President's Ball in the Wright Building. CoChairmen of the Ball are Mr. O. C. Dowd, principal of Greenville High School and Mr. John Biggers, principal of the Winterville School.

We already know that this campaign is to fight infantile paralysis and needs the support of every body. It was started by our late president, Franklin D. Roosevelt, 13 years ago. Without the living presence of this great man we should all join in and help fight this disease in memory of hte great work he started.

"In the last twelve months six patients from Pitt County have been taken to the hospital in Charlotte." Fifty per cent of our contributions stay in this county. The county quota is \$4347. Last year, 1945, the amount raised was \$6184; with the cooperation of every single person we can and must top this.

In 1939, our late president state, "The well being of our youth is our foremost concern. Their health and happiness our enduring responsibility, the good cause must go on." If such a busy man could have started this work it is indeed up to us to carry it through.

### New Dormitory For Boys Needed Greatly At E. C. T. C.

by Dorothy Nell Henderson

With more G. I.'s being reconverted to the rank of Mr. and Miss, the problem of schooling arises. More boys are going back to school than ever before, because of their help under the G. I. Bill of Rights. That bill of rights is wonderful, it gives boys that otherwise couldn't have gone to college the chance to do so, but while our boys have been out fighting our nations enemies, the colleges have catered to women students, and they haven't been expanding their "set-up" as they would have under normal conditions. Here at East Carolina Teachers College, as well as at other colleges, there isn't enough room for our returning fighting men. We need a boys dormitory here, and we need it badly.

It isn't fair to the veterans of World War II who are returning to our campus to have to live in rooming arrangements that are inadequate. You must admit that with the influx of men students on the campus that Ragsdale Hall is no longer able to accommodate all the boys we have here in school. A new dorm would have a tendency to attract more boys and therefore would

# GIVE DIMES

HELP THEM WALK

—Green Lights, Greenville High School

raise the number of male students attending E. C. T. C. We all realize that building during the war was impossible, but now it isn't. If we will all get behind this idea, maybe we can have a new dorm for our boys by next winter quarter.

### Library A Place To Study; Do Your Socializing At Home

What do you go to the library for? Most people go there to work. But there seems to be a few people who use the place as a social room. They spend their time just sitting there—books in front of them—but talking and laughing with their friends. They never seem to stop to think that some one at the next table would like to get some work done. Good studying cannot be done when there are so many people talking.

Could I make a suggestion? Why not go to the library to work or else stay away?

### Whose Paper ???

Sometimes when I see the masthead of this paper I want to laugh right out loud. In case you didn't know it, the masthead has a line that reads like this—"published by the students of East Carolina Teachers". Well, perhaps that is true in a sense but a very narrow one. You see the paper is published by a little more than ten individuals, and if you think they make up the student body or even give a fair representation of it, then—well, we don't.

This newspaper should be yours. It is for you but it's not published as much by you as it should be. Of course some of you criticize the paper and now and then you praise it, but you don't do enough of either one.

We want and need your idea, talents, and opinions. If you have ideas, speak up. Make yourself known. If you have journalistic talents or interests, why not come by the Teco Echo staff room and help us out? We are more than glad to have you work with us. If you have an opinion on any campus activity, either good or bad, write a letter for the paper, and let others know about it.

Ten students can't possibly represent you adequately. Make this paper actually yours, not just in name only.

### Don't Be A Slacker Cooperate With Our Alma Mater

It is trite to say that cooperation is one of the most necessary things in life, yet few things can be done without it.

Most of us are rather good at promising to do things by a certain time, but those students who fulfill their promises promptly and pleasantly certainly are too few. "Gosh, I forgot all about!" is the too-usual reply when a neglectful person is confronted with a reminder that he has failed to do his task.

Scholarship, another factor discussed freely here—without proper nourishment, proper studying can not be obtained. These complaints are not from just a few students but from 9 out of 10 who eat in the dining hall. If there is an explanation we would kindly appreciate it and try to be more understanding about what we have to eat.

On this campus every week, every day there are opportunities for students to be of service to clubs and responsible persons. There is student council work to be handled, publications to go to press, plays to be produced, dances to be decorated for and dozens of little but important jobs to be done.

It is not just the responsibility of the officers in charge to do the job. It is every student's task to see that the activities of ECTC are done as best they can be done. It is unfortunate that even with the point system in effect the work on the campus continues to be done by the same small group

of energetic individuals. Are you a slacker? Are you one of those students who never has time to do this or that because you have to loaf or go to a movie or do something else equally unimportant? If you want a job well done, ask a busy person to do it, for the ones who are not busy never have time."

If you are one of these persons who is guilty of not doing anything helpful on the campus, start today to atone for your past. Cooperate to the fullest extent with all that will go to make your Alma Mater an institution of which you will be proud.

### Students Want An Explanation On Food Situation In Dining Hall

Most of us dislike griping very much. But when people are not satisfied with certain ways and give reasons for complaining it is not thought of as griping but giving true facts.

Everyone realizes that the food situation is critical and we are not trying to put this fault on any one in particular; but it seems that our food could be improved. It could be that we just don't understand the way of cooking large quantities of food.

About twice or three times a week there is a decent meal served in the dining hall. Others seem to be hastily prepared and if seconds are asked for they are seldom received. When seconds are asked for it seems likely we should have them. After all we are the ones to know when we want more to eat.

Another complaint is the bread, butter and jelly. When the second helping of bread comes, why is it usually stale? This could be used for making toast. Too, most people like butter with meals; particularly, breakfast and lunch. If the faculty has butter, we as students should have our share, also. Then, the jelly is another example. Even though jars are without lids or even without jars why couldn't the jelly be put in a small container such as a bowl or saucer? After the meal it could be put back into the large containers it is stored in.

Sleep seems to be an important health factor on this campus; therefore, everyone has to be in bed by midnight. This is all well. Food is also important in health and should be seriously taken into consideration.

Have you ever gone to the dining hall very hungry just to leave as hungry? Even after you have eaten, your hunger sometimes is not satisfied? If the food we had could be more appetizing more of us would feel better and would not have parents scolding us for money spent outside on food.

Some will probably say this is just a silly whim of an individual student but have you tried studying on an empty stomach? When you are hungry food is the only logical solution.

Scholarship, another factor discussed freely here—without proper nourishment, proper studying can not be obtained.

These complaints are not from just a few students but from 9 out of 10 who eat in the dining hall. If there is an explanation we would kindly appreciate it and try to be more understanding about what we have to eat.

### More Space, New Instruments Needed In Music Department

From many sources comes the feeling that the East Carolina Teacher. College Department of Music must have additional physical space, as well as a larger faculty and better equipment. Especially do the music majors realize the need.

The lack of space in which to work effectively and the lack of instructors to accommodate the requests of students are not only retarding immeasurably student development, but are definitely lessening teacher enthusiasm and efficiency. Each quarter dozens of students who seek private instruction have to be turned down because the teachers' schedules are so overloaded that they can find no time for additional pupils. It is not fair to these students that really

## Student Spotlight

by June Bass

If you see a flash of red hair on some laughing green eyes, you will know its none other than Katherine Long; better known as "Kat".

"Kat" is a senior and comes to us from Durham, N. C. She is majoring in English and social science, and insists that she can hardly wait to do her practice teaching.

When asked her favorite hobbies, she said "Eating". Her special dishes are Chocolate Cake, and chicken chow-main. She also holds a great interest in collecting records, bracelet charms, and making friends.

"Kat" is quite fond of music; her favorite singer being Perry Como and her favorite song "Stardust." Her favorite activities are basketball which she says is "mighty find", playing bridge, going to movies, reading Shakespearean plays, and thinks the poem, "How do I Love thee", is tops.

Don't let those last items mislead you as "Kat" is quite full of energy. Have you ever seen her and Billy go into one of those jitterbugging routines? Not bad at all.

At present "Kat" is house president of Cotten Hall. She has also been on the house committee and is a member of the YWCA

and the Lanier Society.

When asked her ambition, she said to teach and of course like every other girl has a home later on.

Gosh, Kat is a swell girl and every one on campus will agree that ECTC just could not have done without her for the past four years.

Ask him who Ann is.

We all wonder how the race will come out between Shorty and Jackie for Spang.

Some halls have it and some halls don't, but Fleming Hall has it doesn't it, Blain?

What makes Foy run around so happy. Floyd must be coming home. Does this mean wedding bells?

Freda, its alright to have two boy friends, but lets make sure they both don't come up on the same weekend.

Ausley, what is it that Wilson Hall has that no other hall has?

Is TEW enough, Jean Brown.

Cloe, who is this Frisco guy? His name still sounds funny.

Shag, are you letting Jean C. beat your time with Herman?

Susie, have you gotten your dance straight for the dance yet?

Ann D. Who is that little coed that you think is so cute?

We wish that Bob Miller would make up his mind as to whether or not he likes blondes or brunettes.

Well, it really looks like the bee has stung Helen W. She seems to be all out for Jim.

We wonder about that Page-Jimmy romance? Ann T. and Margaret seem to be stepping in.

Mary Massengill certainly does have a cute man!

We wonder why Short T. likes the "Y" store so much these nights.

There seems to be a new romance budding on campus these days between Katie Earle and Leo.

Wedding bells are just about to ring for Helen Rouse. Luck to you gal!

Won't some body please date Helen S. and Ruth B.? They try so hard and after all, they are kinda cute.

Flash! Social priviledges have interrupted that Heath-Bennett romance. What is John doing now?

Well, gals and boys, it is about ten-thirty so until the next issue I am, Snooingly yours.

### MY DAZE

by Marjorie Mae McGur

Well, hello here—I am back again for another little ole chat with you. I would like to say that it makes me happy too—I rather enjoy kinda letting my hair down but sometimes I almost feel like pulling it out instead, what with nothing to talk about.

I guess you heard Mrs. Reeves tell us about all the kinds of foods she can't get. Well, I think that she does a pretty good job. Of course she doesn't always give us exactly what we want but did you get exactly what you wanted at every meal at home? Just think—we have had eggs two mornings for breakfast lately and then—look at all the bacon we have been having. Why my Mom has seen the time, and not too long ago, when she would probably have paid 50c a pound just to smell the stuff. So I think we owe Mrs. Reeves a bit of an applause.

Have you been going to the ball games lately? Aren't they exciting? I think our boys are doing a fine job. They really seem to be working and playing together. That should be said about our Cheerleaders. Well, they are doing a pretty good job too, but I think they could stand a bit of practice together. They aren't doing as well as they could. Then all of us could do a bit of cooperating with them at the games. That would help too.

Things seem to be a bit dead around here now—a-daze, what with all the rain and cold weather, so I can't get out to see what's goin' on. Guess I'll have to say bye for now. Will be seein' you around.

## Scumming

By The Keyhole Korrespondent

John Heath owns the Ragsdale phone between 11 and 12 every night. Eh! Bobbie.

Pardon me for asking Dot and Paul, but who's chasing whom these days?

Gerry seems to have done a little reforming. Could it be because of—well, it could be.

Evelyn may be a freshman in classification but when it comes to men! Wonder who the next victim is?

Jean, are you and Herman really "that way"?

Doug, are you changing your mind again? Don't see you on Wilson Hill anymore. Could Norfolk still be on your mind?

Some basketball players like basketball but one in particular likes to boogie with brunettes.

Is it because coeds don't like dancing so soon after supper or is because they would rather the girls as them—Don't be shy boys you can't wait for us to do all the asking.

Teat, you wouldn't let anybody beat your time in Wilson Hall, would you?

Grace, just who do you love, Peachers, Bob, Walter—Make up your mind.

Is Tom and Joe W. running a race for the B. M. O. C. title on campus.

Jessie Parker, are you still carrying the torch for that Norfolk girl?

Congratulations, Helen, we wish you all the luck. He is a lucky man.

Hudson, why is it when you walk in the Y store all the girls swoon? How about letting us in on the secret.

What is that new song Leo is going around singing—Does it go like this—Ka—Ka—Ka—Katie.

Page, you had better watch that Jimmy.

## Girls Play Good Basketball As Tournament Begins

On Monday night, January 14, the girls started their race toward determining which team will play in the finals. The Day Students played Cotten 4. Those on the defense for the Day Students are: Deval, Taylor, Eleanor Brown and Rouse. Those for the offense are: Robertson, Howard, and Doris Brown. The forwards for Cotten 4 are: Peele, Barden, Mangum, and Freeman. The guards are: Gray, Stevens, and Aycock.

The Day Students got off to a swell start and lead the score until the half. At the half Frances Freeman got on the run and started putting the ball into the basket. During the last two minutes of the game, both teams did some good playing. It took moves on the part of Cotten 4 team to keep ahead of the Day Students, who did some outstanding playing. The game ended with a score of 10 to 6 in favor of Cotten 4. Freeman paced the Cotten 4 team with 7 points to her credit, while each forward for the Day Students made 2 points each.

On the same night Cotten 3 was to play Fleming 1, but due to a shortage of player on the part of Cotten 3, Fleming 1 won. All the player for Fleming were there but only three forwards for Cotten 3 showed up. What is the matter girls? This is your tournament, and no one is going to beg you to come out and help your team. Those playing for Fleming 1 are: forwards; Johnson, Register, Sermons, and West. Guards are: Midyette, Smith, and Honeycutt.

## Cotten 2 Wins Over Fleming 2

Cotten 2 team swept a win over the Fleming 2 team in a nip-and-tuck battle on January 16. With Bazimore, Edwards and Grace Warren as forwards, the Cotten team kept the lead throughout the entire game. The offensive team, made up of Dean Smith, Best, Stevens, and yours truly Priest, kept the score of the Fleming team down, those playing for the losers were: Holland, Walker, Burney, Lowe, and Winsted as Guards; and Davenport, Jessup, Warren, and Lee as forwards.

Fine playing on the part of Bazimore and Edwards lead the Cotten team to victory. Each scoring 5 points. Warren was high scorer for the losers with a total of 7 points to her credit. The score at the end of much hard playing was 9-13 in favor of Cotten 2.

for the tournament. At the end of this tournament a Varsity team from each dormitory will be picked to determine the best team. Come on out and give your team some support, and watch them really go to town.

## Girls' Tournament Has Started

Did you hear about the girls' basketball tournament? Well, if you didn't, just cast your eyes on this page. There are many teams out there, and there are some good players on each team. This should make the next three weeks very exciting to the basketball fans who wish to see some good games. Five teams represent Cotten in the tournament: two Fleming; two, Wilson; two, Jarvis; and one, the Day Students. There will be two game each night, and at least two nights every week set aside for the tournament.

## Fleming Hall Wins From Cotten

Fleming 1 team walked all over the Cotten 1 team on January 21 with a score of 21 to 6. The first quarter was drowsy but the teams began to play in the last half. The Fleming team came to lift in the last quarter and tossed in baskets from all corners of the court. The ball was in the hands of the Cotten team most of the time but they were unable to break pass the strong defense of the Fleming team. In the final two minutes of the game, the Fleming team really began hitting the balls and proceeded to extend their margin by 5 points. West with 11 points and Sermons with 8 points paced the winners, while Harrison paced the losers with 6 points.

Another of Flemings teams took a victory on the same night. The strong Fleming 2 team met the Cotten 5 team in a hand-to-hand go to determine the winners. The Fleming team lead from the start and it was easy to tell which team would be the winners of the game. The Cotten team was held down by the height of the Fleming team, and lost the ball most of the time when brought back to center. Davenport lead the winners with a score of 8 points to her credit, while Heath with 5 and Pitt with 4 lead the losers. The game ended with a score of 21-9 in favor of the undefeated Fleming 2 team.

## Hall Leads Wilson To A Smashing Win Over Cotten

On Wednesday night, January 16, the Cotten 1 team met the strong Wilson 1 team to see which would be the top scorers. Those playing for cotten 1 are: guards; Albritton, Ulma Smith, and Atkinson; forwards, Harrison, Dorris Warren, Robinson and Fishel. The strong Wilson team is made up of Parker, Grady, Hall and Jarnigan as forwards; and Alston, Billard, Andrews, and Kelly as guards.

The game was marked by erratic passing on the part of each team, particularly in the first half. The Cotten team was missing the backboard on many of their set shots and failed to follow the ball very well, Wilson gaining most of the rebounds. Hill led the Wilson team to a 16-4 win over Cotten with a personal score of 10 points.

## E.C.T.C. Runs To A 36 To 19 Win Over Marines

The East Carolina Teachers College won over the Kinston Marines 38 to 19 in a basketball engagement played in the college gym. The Teachers took the lead during the first few minutes of the game and held it all the way through. Both teams played excellent defensive ball but the superior shooting eye of the Teachers was the deciding factor.

Jess Parker of the Pirates lead the scoring for the evening with a total of 13 points; Whitlock of the Marines came second with a score of 12 points.

G—Musselwhite	1	1	0	3
Total	15	6	14	36

## Wilson Teams Still Underfated

The undefeated Wilson 1 team took another game. This time from the Jarvis team on January 17. Controlling the ball much of the time during the first half, but unable to sink their shots by the Jarvis team. Wilson 1 found the range in the last half of the game and took out to making the points to win the game. Those pinning Jarvis are: guards, Herd, Smith, and Morris; forwards, Harrell, Little, and Rountree. Both teams did some excellent playing and showed some real competition for the winners of the tournament. The high scorer for the Wilson team was Hall, who lead with a score of 14 out of 20 points. Rountree paced the losers with 11 points. After much good playing the game ended with a score of 15 to 20 in favor of Wilson.

In the years before enough Jarvis girls came out to have at least two teams and Wilson came out with only one team. This year the tide has turned.

## Junior Varsity Outlaws Lose To Littleton

The Junior Varsity Outlaws lost their second game Saturday night at the hands of the Littleton High School. Acres, high scoring forward for Littleton scored in 26 of his teams 48 points. Final score E. C. T. C. 22, Littleton 48.

## Lions No Match For Teachers

The East Carolina Teachers College surged ahead in the first period and held the lead from there on to defeat a Thomasville Lions quint in the feature game of a double header benefit bill.

It was a hard fought game all the way but the superior team-work of the Pirates could not be checked by the Thomasville team.

Jim Parker lead the scoring for the evening, dropping in 11 field goals and 9 free shots for a total of 31 points. Playing tonotch basketball, Blamie Moye kept the Lion's team bewildered with his fast handling and stealing of the ball.

## Pirates Travel West After Game With Rebels

## James Parker Stars As Pirates Bow To ORD Hawks

The Buccaneers continue to meet North State Competition as they encounter the team of Lenoir Rhyne from Hickory here Monday night. Lenoir Rhyne brings one of the best teams that has represented their school in years and it is seldom that they ever get this far East in North Carolina.

Thursday, the Pirates start their hardest road trip as they pay a return visit to Elon College on Thursday evening. Friday night, the E. C. T. C. lads move over to the Parker Boys ole Alma Mater, Guilford College where they tangle with the Quakers for the first time this season.

Saturday night will see our boys pitted against the High Point Panthers in the College Gym of that city. The Pirates will return to Greensboro in Sunday.

## ECTC Has Done Very Well In First Nine Games

Would you like to know just what our Basketball team has done in their first nine games? Most important of all is the fact that 7 of the 9 games are wins. Here are a few figures.

E. C. T. C. 47 Kinston Marines 49  
40 Campbell College 20  
46 Jamesville Stars 37  
55 Louisburg College 20  
47 Campbell College 23  
42 Greensboro ORD 64  
67 Thomasville 50  
36 Kinston Marines 19  
65 Edenton NAS 49

The Pirates have a 49.4 point average per game while their opponents have piled up only 36.7 point average against them. James Parker has been leading scorer for E. C. T. C. having scored 129 points for the first nine games or a 14.3 point average per game.

## Buccaneers Drop First Home Game

The Pirates dropped their first home game and their third game of the season to the sharp shooting ORD Hawks from Greensboro. The Buccaneers could not stop Shannon, Spencer and Taylor and the three boys accounted for 50 of the ORD's points.

The ECTC team played a game but losing battle. Jessie and James Parker led the Pirates in scoring with 14 and 11 points respectively.

Player	G	FG	FT	PT
Parker, Jessie	14	F	Shannon	15
Moye, C. B.	2	F	O'Conner	5
Parker, James	C	Taylor	7	
Jones, Doug	2	G	Spencer	18
		G	Pojo	7

## Sailors Wipe Wounds Of Defeat

E. C. T. C. forged ahead in the early minutes of the game Saturday night and they licked the Sailors from Edenton Naval Air Station 65 to 49. The Sailors fought hard all the way and the Pirates were pushed throughout the game in order to hold on to their small lead.

E. C. T. C. Edenton N. A. S.  
Parker, Jessie 22 F Lembo 11  
Moye, C. B. 9 F Rosenberg 6  
Parker, James 23 C Westmoreland 5  
Moye, B. 4 G Spellman 11  
Jones, Doug 7 G Clawson 0  
Halftime score: E. C. T. C. 31; N. A. S. 27.

Substitutions: E. C. T. C., Charlton, Cox, Lupton, Powell; Edenton N. A. S. Eaton (10), Fields (4), Fleming (2).

# ALUMNI NEWS

## Chapter Reports GREENVILLE

Dr. A. D. Frank, head of the History Department, was guest speaker at the regularly monthly meeting of the Greenville Chapter which was held in the Alumni Office on January 11th. Dr. Frank gave a very interesting and informative talk on current events.

After a short business meeting delicious refreshments were served by the hostesses Mrs. Fred Owens (Mildred Mattocks) and Mrs. Burt Greene (Helen Mattocks).

## ROCKY MOUNT

Mrs. Tom Hall (Lucille Bullock) was hostess to the Rocky Mount Chapter at their second meeting at her home on Hill Street. Mrs. John Hayes (Fattie Farmer), the president, presented Mrs. F. L. Greathouse (Eula Greathouse), member of the college board of trustees, who gave an interesting report of college activities.

During the business session plans were made and committees were appointed for the dinner meeting to be held on February 7th.

At the social hour Mrs. Hall assisted by Mrs. Greathouse served drinks, sandwiches, nuts, cake and candy to Mrs. E. P. Gerard, (Elsie Horton), Mrs. W. M. Wester (Thelma Everette), Mrs. J. A. Keel (Ethel Lee Everette), Miss Jessie Flythe, Mrs. C. E. Privott (Annie MacCollier), Miss Irma Vause, Mrs. W. H. Brake (Minnie Ross), Miss Wita Bond and Mrs. Hayes.

## RALEIGH

At the Raleigh Chapter meeting on Tuesday evening, January 8th at the Woman's Club, Mrs. Charles M. Johnson (Ruth Moore), a member of the board of trustee, reported on the college and its activities since May, 1944.

After the business session, bridge was played. Mrs. J. Y. Lassiter (Leola Pleasant) won first prize, and Mrs. A. F. Smith (Elizabeth Smith), former assistant dean, was awarded second prize.

At the social hour, tea, sandwiches and cookies were served. The hostesses for the evening were Mesdames R. J. Ray (Ann Whitehurst), Charles M. Johnson, Richard Coke (Inez Winfield) and R. F. Nobles (Mamie Cutler).

## MEMBERSHIPS IN CHAPTERS

Miss Roberta Patterson, treasurer of the Burlington Chapter, has recently sent in dues for 24 members of the chapter. With the life membership of the president, Mr. Baxter Ridenhour, there are 25 "active" members.

Mrs. Lonnie Rogers (Nancy Brantley), the Charlotte treasurer, mailed a check for the members of the Charlotte group. With 3 life memberships, the chapter has about as many members as it did last year.

Durham has 12 members, Goldsboro 5, Greenville 35, Greensboro 5, Henderson 4, Louisburg 2, Oxford 7, Raleigh 33, Roanoke Rapids 4, Rocky Mount 15, Wilmington 21 and Winterville 5.

The goal of the Association was 1000 members. At present there are less than 300. Have each of you contacted at least one other alumna and given her an opportunity to join? In not, please make a contact this week!

## CHARLOTTE'S YEARBOOK

A yearbook from the Charlotte Chapter was sent to the Alumni Office. Mrs. T. R. Pruiett (Bernadine Sumrell) and Ms. Lucy Hanks were responsible for it.

## CHARLOTTE'S CONSTITUTION

A committee composed of Mrs. I. W. Leggett (Marion Poplin), Mrs. L. W. Rogers (Nancy Brantley) and Mrs. H. J. Steagall (Roselyn Satterwhite) drafted the constitution which was adopted by the Charlotte Chapter at its October meeting. A copy

## ALUMNI IN SERVICE Promoted

Norman W. Wilkerson of Greenville has been promoted to the grade of corporal. Following his induction in August 1944, he was given basic training at Camp Lee, Virginia, and attended Depot Supply School there. He was stationed at Port Edwards, British Columbia and in August 1945 was assigned to the 24th Air Base Squadron of the Alaska Air Depot.

## Discharged

Larry Averette, who has been in the armed service 21 months, 19 of them spent in the European theatre of operations, received his discharge recently and will resume his place as manager of Merits Shoe Store in Greenville.

Macon M. Dail, also of Greenville, was discharged on December 24, 1945. S-Sgt. Dail served 12 months in the States and 27 months in the Southwest Pacific.

Carl W. Langley, a lieutenant in the air corps who was a German prisoner, has been discharged and is now living in York, Pa.

Hattie Lou Cannon Schneider, after serving about a year as a WAVE, has returned to Winterville to live.

Alfred Neikind is attending Junior College of Conn. at Bridgeport and Joe Staton is at Carolina.

Other alumni recently discharged: Royal Carsons Jr., Richmond; Clifton Crandell, Stokes; Douglas Glover, Wilson; George Lautares, Covington, Va.; Thomas E. "Pet" Perkins, Baltimore, Md.; W. L. Shelton, Richmond, Va.; Dubose Simpson, Williamston.

## Greenville Alumni

L. C. Capps, Jr., Baxter Clark, John Clark, Charles Forbes, Richard Gaylord, James W. Joyner, Ralph Tucker, Herschel Tyson, Jimmie Wells and Bob Whichard are at home in Greenville.

## WEDDINGS

Shirley Faye Hall of Pollocksville to Clarence Ross McMillen of Oswego, N. Y., on December 21. At home Oswego, N. Y.

## Nutrition Exhibit Held Jan. 18

A nutrition exhibit sponsored by the American Red Cross, Pitt County Chapter was held on Friday, January 18, from 2:00 to 5:00 in the afternoon and from 7:00 to 9:00 in the evening in the Classroom Building. The exhibit was under the direction of Mrs. Walter F. Taylor, executive secretary and Miss Agnes C. Brown, chairman of the Nutrition Committee.

The members of the Nutrition, Foods and Child Development classes of the Home Economics Department also participated in the exhibit plans. The relationship of chemistry and physiology to nutrition was shown by an exhibit from the science department.

Several agencies directly interested in community nutrition were represented with displays of their educational material. The agencies cooperating were the home demonstration agents of the Extension Division, the National Tuberculosis, the Pitt County General Hospital and the National Dairy Council.

There were exhibits concerning feeding the family, information about nutritive values of some foods, and the conservation of food value in different cooking processes. Emphasis was placed on safe food preservation for Eastern Carolina region and there was a consultant to answer questions. Also, a section was set aside for materials on menu making and new cook books.

Methods used for determining nutrition research was shown with photographs and in some cases equipment for measuring diet deficiencies was on display.

## Miss Strickland Assumes Duties As Assit. Dietitian

Miss Mary Blanche Strickland, former mess Sergeant in the WAC's has recently assumed the duties of assistant dietitian for the College. She was elected for the job for the fall quarter but because of a hold-up in receiving her discharge at Ft. Bragg, she did not begin until this quarter.

Miss Strickland is very familiar with E. C. T. C., as she is a graduate from here of the class of 1939 with an A. B. degree in Home Economics and Science.

Miss Strickland plans to continue her studies at E. C. T. C. in order to receive her M. A. in Science, so that she may be prepared to do Laboratory Research work.

During her three years in the WAC's, Miss Strickland had many interesting experiences. She was stationed at Ft. Bragg, at Ft. McClelland, Ga. and at Ft. Des Moines, Iowa. While at Ft. Des Moines she was supervisor and dietitian of her own mess hall. Throughout her time in service she was doing work similar to that she is doing here.

After finishing college, she worked with the Extension Service of the Government. Later, because of her desire to do her duty to her country and her eagerness for new experiences, she entered the WAC's.

She hails from Middlesex or six miles from town as she describes it, "where the last grapevine ends." She is very fond of E. C. T. C. and she proclaims she just can't seem to keep from preferring to eat with the students rather than with the faculty—"it just seems more natural."

While in college, she was Miss Bloxton's student aid with the practice house and Teco Echo reporter for Home Economics Club, and an agent for the News and Observer. She was well known to the faculty. She was equally well known by the students because of her sewing ability from practical experiences. When the problem of short dresses arose, everyone rushed to her for help.

Her hobby is collecting fancy hankerychiefs, which she declares is her biggest weakness, except that of eating ice cream with hot fudge. At one time she was fond of collecting cosmetics, but it waned during her period in the WAC's until the day of departure.

Shortly before her discharge from the army, Miss Strickland, was stopped by an officer who said, "Mary, your lipstick is smeared everywhere." Her reply was, "Sir, if you were going to be a 'Mr.' as soon as I shall be a 'Miss' you'd have smeared lipstick too." The officer smiled.

## College Band Receives Praise

The students have been very enthusiastic over the performance of the band at some of the basketball games this season. They have expressed delight at the pep and spirit the music adds.

Harold A. McDougle is director of the band, which is composed of 34 members. Every Tuesday evening when practice is held in the Wright Building everyone on East Campus during that hour will agree that they are a working organization. From the time they pick up their instruments for the "tuning period" until the end of the hour, the strains of music comes floating out of the upper floor windows over the entrance. The listeners notice that the music dies away only once and that is when Mr. McDougle takes the solo trumpet part in "Stormy Weather". The band is ready when there is any occasion for it, as the ball games, but its big annual event is the out-door concert held on the front campus on commencement Sunday afternoon.

Mr. McDougle has been connected with instrumental work at ECTC for the past four years. He gives about four hours a day to teaching in the music department of the college and has had charge of the band since last year. He has been a member of the music department in the Greenville High School and band leader since 1934. He is also the city supervisor of instrumental music.

Mr. McDougle received his Bachelor's degree from ECTC in music with the trumpet as a special instrument. He plans to continue his studies next summer either at the University of Michigan or at the Teacher's College of Columbia University. He was connected with the theatre in Asheville, his hometown, until 1928. He first became interested in music as a career at the age of twelve and received his first training in Asheville. Later he studied in Cincinnati.

## Debating Team Plans To Attend Tournament

Debating procedure was the main topic for discussion at the last meeting of the Jarvis Forensic Club. Plans were made to send a team to the Grand Eastern Forensic Tournament which is held in Charlotte in the spring.

Plans were made to have practice debates at the next several meetings to acquaint the members with the question and to prepare them for team try-outs. The club hopes to build up an excellent team for the tournament by giving the members this chance to practice.

## Fraternity Makes Plans For Annual Tea February 12

Pi Omega Pi, national honorary business education fraternity, is planning a tea for February 12 in Ragsdale Pralor in commemoration of the founding of Beta Kappa Chapter at East Carolina Teachers College. Pi Omega Pi was founded at Northwest Missouri State Teachers College in 1923; Beta Kappa Chapter was founded February 12, 1944.

This tea is being given in recognition of the students who have done outstanding scholastic work in business education. Invitations are being issued to the juniors with a 2.2 average or better in business education and to sophomores and freshmen with a 2.5 average or better in business education.

The chapter plans to make this an annual affair in recognition of those students having an outstanding average in business education and is to be called Recognition Day. The tea is given in an effort to encourage the business education majors to maintain a high average and become members of Pi Omega Pi. In order to become a member of the fraternity a student must have 21 quarter hours in business education with a 2 average, 3 quarter hours in education, with a 3 average in all other courses.

## Bergeron Attends School In France

BIARRITZ, FRANCE.—Cpl. Hubert Bergeron is a student at the Biarritz American University, the G. I. college at the famous seaside town in southwestern France, participating in the Education Program in the European Theater.

He is representing the 33rd Field Artillery Battalion at the Army's University Center, where he will remain eight weeks, attending three classes a day, and generally preparing himself for return to civilian life. Many of the students are continuing interrupted university work, while others are beginning their higher education for the first time. At Biarritz, with a staff of more than 150 university professors on leave from American schools, they can well undertake such work. The only prerequisite to attend the University is a high school diploma.

The Biarritz center is the only such school in Europe, those at Florence, Italy and Shrivensham, England having been closed.

## Basketball Clinic Was Success

by Hilda Priest

The annual basketball clinic sponsored by the Department of Health and Physical Education of East Carolina Teachers College was held in Wright Building on Saturday, January 19, 1946.

The morning was taken up with Registration; a Welcome by acting President Dr. Howard J. McGinnis; "Officiating for the High School Students"; Demonstration of plays by Misses Nell Stallings and Le Bledson; and Rules discussion and interpretation. The discussion of rules was led by Misses Nell Stallings and Frances Crean. Some of the College Students participated in the demonstration of plays and fouls.

The teams from Snow Hill, Belvoir, and Richlands were represented at the morning session of the program. The coach for Snow Hill is Miss Lillian Harris, who attended East Carolina Teachers College, and for Belvoir, Mr. John Solomon.

Hobbsville, Greenville, New Bern, and Perquimans were represented at the morning session and also took part in the afternoon games. The four schools present at the afternoon session played a round robin tournament, changing schools at the end of each quarter, so that each school played every other school. At the end of each team had not played over 12 minutes. Each team showed some good teamwork and good plays. The points for each team are as follows: New Bern, 21; Perquimans, 15; Greenville, 13; and Hobbsville, 12.

Miss Virginia Lee Bledson, a graduate of East Carolina Teachers College's 1944 class, coaches the hand-picked New Bern team. She teaches Health and Physical Education at New Bern High School, New Bern being her home town.

Another East Carolina Teachers College graduate was here to show how her team can play. She is Miss Annie Eliza Garris, who hails from Ayden, North Carolina. She teaches Commerce and coaches the girls basketball team in Perquimans County High School in Hertford, North Carolina.

Our own Greenville High School has a mighty fine coach to help them in basketball games. She is none other than Mrs. Sarah Anne Proctor, who hails from here in Greenville. She is a graduate of East Carolina Teachers College 1941 class.

The Hobbsville High School team made a good showing at the games under the splendid direction of Miss Margaret McNeil from Jonesboro.
