

Sixth anniversary

Martin Luther King's death commemorated

The following article was submitted to Fountainhead by William Tyson in connection with the Black Arts Festival which is being held this week. It commemorates the 6th anniversary of the assassination of Dr. Martin Luther King who was killed on April 14, 1968. This article will be read as a prologue to black playwright-novelist Ed Bullins' lecture tonight at 8:30 p.m. in McGinnis Auditorium.

To Fountainhead:

We still experience in these last days and time a threatening dark cloud above our heads. This cloud symbolizes the many years of hatred, extreme suffering and overt murders we as a race of Blacks as well as poor Whites find our selves victims to daily. St. Matthew 5.5 of the holy Bible states clearly, Blessed are the meek for they shall inherit the earth. Which also means we will take from

the ruling class the riches, glory, comfort, and power they are presently enjoying. We can think GOD ALMIGHTY for this much needed award; to whom all praises are due forever.

As our belief in God increases He sends before us many spokesmen to deliver His Word so that we may grow in truth and understanding about His greatness.

When we visualize in our minds the many messengers God has sent to us, Dr. Martin Luther King, Jr. stands out among the best.

April 4, 1968 Dr. King supposedly was assassinated by James Earl Ray. Mr. Ray either received money or really thought that Dr. King tried to destroy the little freedom and peace we know.

Dr. King is the most cherished and loved man poor folks can truly say they love for his great effort to bring us out of darkness into the light.

With the gift of understanding and love

no wonder he felt the pain of racism, suffering and sin.

Let us continue to pay homage to a child of God who dwelt among us for our goodwill in the hopes that he would listen and understand him to the point of executing his many ideas for true brotherhood among all people.

When we listen to our communications network we hear and see many dedicated brothers and sisters fighting, studying, working and building to make Dr. King's dream a reality.

The time is now we must seize the time before time runs out. All humanity must join hands for one common good, to bring about true brotherhood.

After many more years of struggling we may be able to look back and say Dr. King's dream is now a reality.

Thank you and may we continue fighting for LOVE, PEACE, and HAPPINESS.

Show starts at 8:00 in 201 of the student union. Refreshments being served. Admission 25 cents.

Film course

For Fall Quarter 1974, the topic for study in ENGLISH 322G (Special Studies in Film) will be the classic age of American film comedy, 1915-1940. The class will study and discuss films by Mack Sennett, Charlie Chaplin, Buster Keaton, the Marx Brothers, W.C. Fields, Ernst Lubitsch, Frank Capra, Howard Hawks and many more. Class meets Mondays and Wednesdays 2:00 to 4:00. Prerequisite: English 211 or consent of instructor, Prof. William Stephenson (Austin 330). For further information see Dr. Stephenson. Pre-registration this week.

Free Uni.

Is Greenville ready for a Free University? Starting Friday a table will be manned in the Union lobby where all are invited to talk about it.

There would be no credit and no grades. Age, experience, or education would not matter for joining a learning group - interest alone would be enough. Other principles have been suggested, such as small groups, activity and mutual caring in groups, continuity (a series of meetings not just one or two), community concern and projects given special attention, and turning people into existing channels (like new Pitt Tech classes) when these meet the needs.

So far eleven groups having resource leaders are available, including bicycle repair, Greece and U.S. foreign policy, and criticism of local dramatic productions. (Watch the posters!) What would you like to learn? To teach? Should we proceed in some coordinated way to promote these Learning Exchanges? How? Come to the Union and rap.

Meaning?

What does a philosopher mean by "Meaning"? What does a linguist mean by the same word? Phi Sigma Iota, Romance Language Honor Society, is sponsoring a lecture by Dr. Gregory A. Ross, of the ECU Philosophy Department, entitled "Once More, With Meaning."

A special invitation is extended to all students and to the general public.

Time: 8:00 p.m., Thursday, April 4, 1974. Place: Student Union 201.

Music

As spring rolls around again, it's time for some musical pleasure in A.J. Fletcher Recital Hall. This Thursday night at 7:30 in the aforementioned Recital Hall, Wayne Powell and Bob Conger will present a program of fine music for any and all to enjoy. Works performed will be by Marcello, Bach, Stevens, Bonneau, Lunde, Larsson, and Stein. Wayne plays Alto Saxophone and Bob plays Trombone. They invite everyone (even longhairs) to attend.

Dietetics

Dr. Alice S. Scott, chairman of the ECU Department of Food, Nutrition and Institution Management, spoke on "Career Opportunities in the Profession of Dietetics" at the North Carolina Dietetic Association Workshop in Charlotte last week.

Attending with Dr. Scott were two dietetic majors in the ECU School of Home Economics, Janice Jones of Buies Creek and Janice Cobb of Rocky Mount.

Other area nutritionists at the meeting included Camille Clark, consulting dietitian for the Greenville Region of the N.C. Dept. of Human Resources, and Elizabeth Hamilton, consulting dietitian for Greenville area health facilities.

The ECU Black Arts Festival is coordinated by ECU drama and speech chairman Edgar R. Loessin, under a grant from the National Endowment for the Arts. It is scheduled to coincide with the annual ECU African Studies Symposium.

The award was announced at the annual national convention of Chi Beta Phi at Athens College, Athens, Ala., according to Dr. T.C. Sayetta, local faculty advisor and national counselor. He said the award was based on science activities by the Alpha Gamma chapter, and its service to ECU, the community and Chi Beta Phi. There are 27 chapters in the Chi Beta Phi system.

John Chappell

John Chappell will present "Mark Twain on Stage" Monday, April 8 at Wright Auditorium. The performance will begin at 8:15 p.m.

Chappell is fascinated by the material. He has read and studied the life of Twain, absorbing the man's character from his writings, which are so extensive they have never been completely collected or published. He reminds us that much of what Twain said applied to the complexity of the modern world. "In the first place, God made idiots. This was for practice. Then he made school boards. This lie is man's best and surest friend, and it cannot perish from the earth while Congress remains in session."

Tickets can be obtained from the Central Ticket Office from 9:00-4:00 p.m. daily.

Russian offered

Russian I is offered once a year - at the beginning of each academic year. Now is the time to enroll in the course for Fall 1974. The course is opened to all students who are interested in mastering the essential skills of a language perhaps different, but by no means more difficult than the others.

Russian is taught at ECU by Dr. Maria Malby, who has many years of experience in teaching Russian to Americans. Russian I will be offered Monday through Friday at 10:00.

The XIX Century Russian Prose in translation (Russ. 220) will also be offered in the Fall quarter. This course may be taken to satisfy the humanities requirement or as an elective.
