The Roanoke Baptist Union met with Bethel church last Friday morning and held until Sunday. There was a very large crowd present on Sunday. Many of the ablest preachers of that denomination in this section were present. The preaching and addresses all were very good.

Mr. W. R. James was married to Miss Fannie L. Bullock on Wednesday evening, March 27th, 1895, at the residence of the bride's father, Mr. John A. Bullock, of Belvoir Township, D. C. Moore, Esq., officiating. The attendants were W. J. Bryan and Miss Laura Spain, Willie Lewis and Miss Lucy James, Frank Clark and Miss Ida James, H. E. According to some people's saying, this is a dry moon.

NEARER HOME.

What is Haopening Over the State.

The Statesville *Landmark* complains of an epidemic of meat stealing in that town.

A Yadkin county boy forged a 5 cent order and was sent to the penitentiary a year for it.

Ex Senator Ransom, now Minister to Mexico, left Friday for his post of duty, his son Robert accompanying him.

A leading Populist from Vance county said he will return to the Democracy and denounce fusion and carry 500 votes with him.

James Callette, a promising young man, living near Cana, Davie county, committed suicide by shooting himself with a shotgun.

Reports from towns in various sections show that the whole State is stirred up over that fool mortgage bill sneaked through by the Legislature.

In Surry court the grand jury returned a true bill against two colored women for murdering a child last fall. Their crime was a horrible one. They built a fire and placed the little girl over it, letting the blaze run into its mouth and throat until it died.

The prisoners in Johnston county jail escaped Friday night. They were in a steel cell, but discovered that the lock of the door was defective and broke it. They then cut through a brick wall and fled.

Bessie Nail, the little daughter of Mrs. S. B. Nail, was badly hurt Wednesday evening. She was carrying a pitcher through the house, when she fell, breaking the pitcher and cutting her arm nearly in two on a piece of the glass.—*Charlotte Observer.*

THE WOOL IN MY CLOTHING

Grows on a sheep's back and not on a cotton stalk. It would be a good idea for you to see that your Spring Suit is made of the kind that grows on a sheep, because it is better in every respect---wears better, looks better, holds color better and is finer.

Our \$5, \$8 and \$10 Spring Suits are made of this kind of wool and they fit just like tailor made. All grades, all colors and all shapes.

Fat or lean, I can fit you.

FRANK WILSON,

The Leader in Clothing.

P. S.---I can take your measure and make a beautiful Suit of Clothes.

Quinerly Notes.

Marriage Licenses.

The Register of Deeds issued only four marriage licenses last week, two for white and two for colored couples. They were W. R. James and Fannie L. Bullock, Arthur Forbes and Lula Fields, Ben Stephens and Fannie Little, Joseph Battle and Ida Clemmons. The total number for March was twenty one, thirteen white and eight colored.

The Town Councilmen last night discussed the advisability of purchasing a fire engine and adjourned to meet again this afternoon for further consideration of the matter. There is no question about the town needing protection against fire.

NEWS OFF THE WIRE.

Served by our "Leased" Underground Cable---(Limited).

Sixty clerks, mostly women have been dismissed from the Treasury Department.

A trolley car going down an incline near Hazleton, Pa., ran away and killed three passengers.

A freight train on the Norfolk & Western Railroad fell forty feet through a burning trestle in Ohio. Eighteen loaded cars were destroyed.

The official monthly statement of the Treasury for March show that the excess of expenditure over receipts was a little than \$750,000, and they are being nearly able to "pay their own."
