

I expect they will take
Sum of us to New York
Sum of those nights over
on the Sound they tried
last night to take Sum
of our Boys but they
keep them back by firing
on them the ward came to
camps I had to go again
in the rain down to the
Sound I didnt cross over
I got no sleep last night
I am in camps today
Nothing more at
Present of the
R. Co. Caldwell
Rice remains gone
til Death to No. 1
