Let dogs delight to
bark and bite for
God has made them
so, let bears and lions
growl and fight
for it is their nature too

but little children you
should never let such
angry passions rise
your little hands were
never made to tear
each others eyes

let love through
all your actions run
and all your words be
mild live like Gods
well beloved son that
sweet and lovely child

his soul was gentle
as a lamb and as in
eye he grew he
grew in favor both
with man and God
his father too

The Lord of all who
reigns above down from
his heavenly throne
behold what children
dwell in love and
mark them for his own
