

EAST CAROLINA COLLEGE  
GREENVILLE, NORTH CAROLINA

6 October 1960

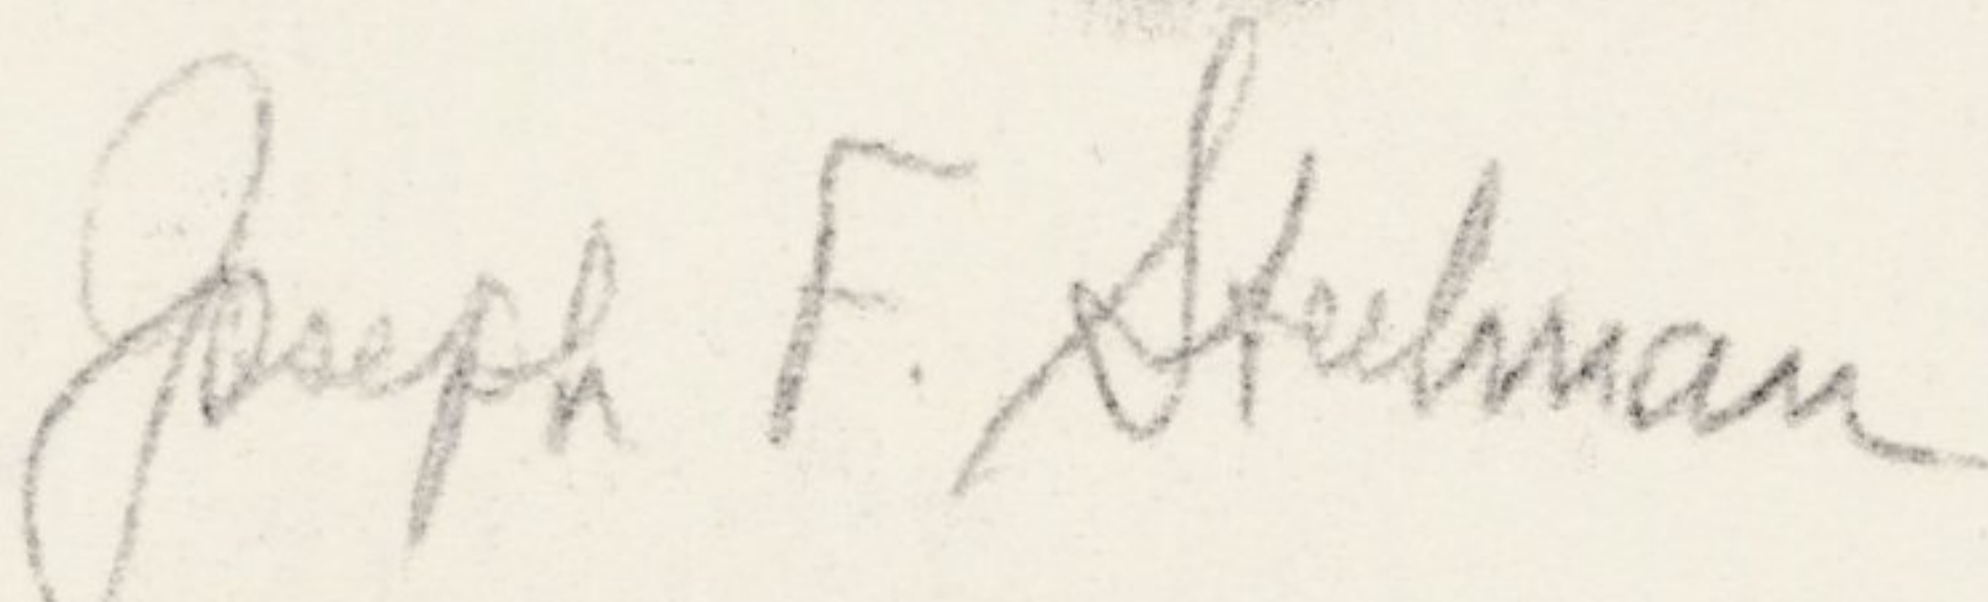

Honorable John F. Kennedy  
Campaign Headquarters  
1106 Connecticut Avenue, N.W.,  
Washington, D.C.

Dear Senator Kennedy:

I enclose a small contribution to the campaign fund.  
It is my conviction that among the college professors with  
whom I am acquainted you are the overwhelming choice.

Your visit to Greenville in September won many  
friends and supporters. The broadcast of your statement  
to the ministers of Houston has created a very favorable  
reaction in this area. The first of the televised debates  
was considered a victory for the Democratic cause, which  
you so ably presented, by all persons with a grain of  
intelligence.

Yours very sincerely,

Joseph F. Steelman  
Associate Professor of History
