Mr. and Mrs. Joe Steelman
East Carolina College
Greenville, North Carolina

Dear Mr. and Mrs. Steelman:

I would like to express my sincere appreciation, on behalf of all real Democrats, for all of your loyal work. There is no question but that your efforts were the real difference in our margin of victory.

It has been a real privilege for me to have been associated with so many dedicated people. With your help, we will continue to build a greater Party and a better North Carolina.

Sincerely,

Bert L. Bennett
