

October 6, 1960

Professor Ray Billington  
624 Central Street  
Evanston, Illinois

Dear Professor Billington:

It gives me a great deal of pleasure to endorse the candidacy of George McGovern for the United States Senate. I certainly hope he will defeat the reactionary Mundt.

While the contribution enclosed is small I hope it will do some good. There may be others from this institution who will forward contributions.

Yours very sincerely,

*Joseph F. Steelman*  
Joseph F. Steelman  
Professor of History
