To: All Members and Precinct Vice-Chairmen
Pitt County Democratic Executive Committee

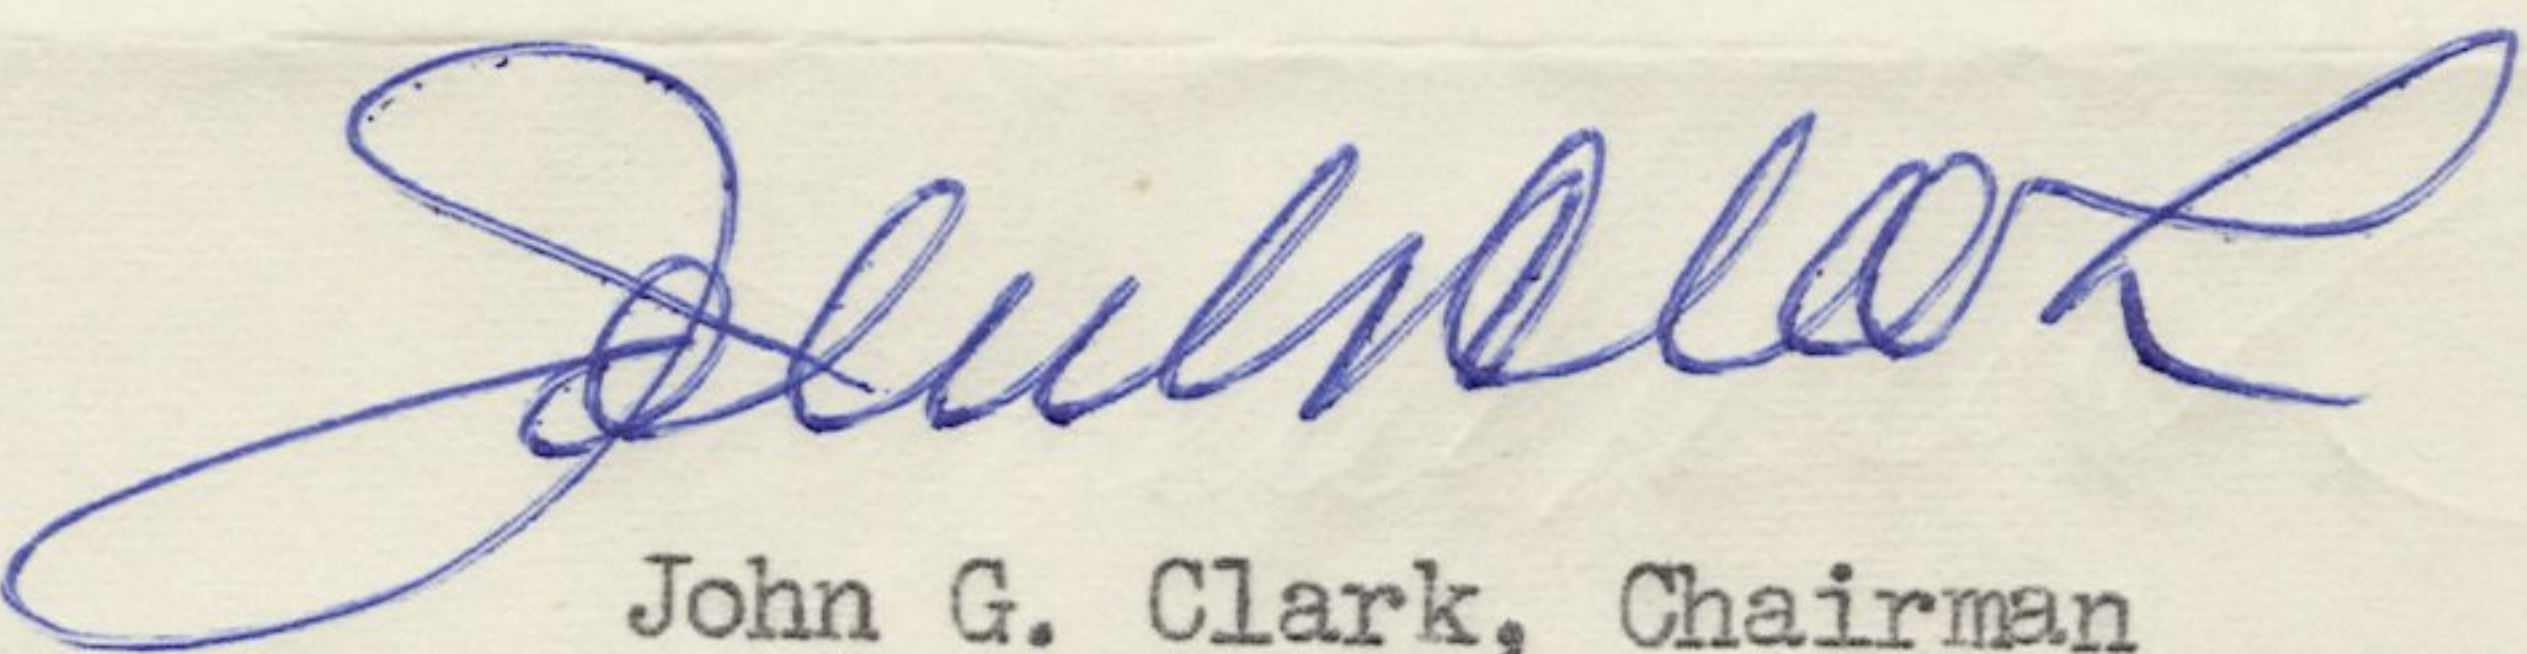

Dear Member and Vice Chairman:

This is the year when we must and will send Nixon back to California and Benson back to Utah. We have a fight on our hands, but with all of us pulling together our good County of Pitt will come through with a great majority. In the last three presidential election years our County gave the ticket the largest numerical majority of any county in the State despite the fact that there are about twenty-five counties in the State with a greater voting power than ours.

I am writing you this letter to urge YOU to attend a meeting of the Committee on Saturday, August 20th, at 12:30 P.M. at Respass Brothers Barbecue House. After we have eaten, we will map out plans on how to carry on the campaign so that again Pitt County will be at the forefront.

Please attend.

Sincerely,

John G. Clark, Chairman
Pitt County Democratic Executive Committee

The Time: 12:30 next Saturday, August 20th.

The Place: Respass Brothers Barbecue House.
