Dear Mr. Steelman:

Thanks so much for your letter of May 31, and for your contribution, which is so important to our campaign.

All our folks here and I personally, deeply appreciate your fine work in helping us roll up over a quarter of a million votes on May 28th.

As you well know, we have a fight on our hands now which involves much more than personal political fortunes----- it involves the whole course of North Carolina progress.

We must roll them out and up the total on June 25th! Keep digging hard.

With many thanks and best wishes,

Sincerely,

Terry Sanford
