Mr. Fort must trace the deeds from Thomas the supposed Patentee
down to H. Jones on the one side & Thos. Stewart on the other & get full
& exact copies of them - not merely extracts - He must also prepare
himself to prove the title of the forty acres from Thos. Webb to Mr. Gray.

He must also enquire how long Lemuel Nicholson was in possession
of the land which he sold to O. F. Jew. that is cultivated it himself,
or rented it out to others who did, if any witness can clearly
prove that he had been in such possession for years their deposi-
-tions ought to be taken shewing how many years Nicholson
had just possession, & they ought to be summoned also -

also prove that his father constantly cultivated it after
he purchased from Nicholson -
