Mons Joe Person, Kittrell N.C.

Dear Madam:

I have been advised by friends to try your remedies for "Eczema" on the face, and I write to ask if you have a special treatment for it, and to beg your advice in the matter. The eruption began nearly seven years ago, and tho' I have tried several Physicians and various remedies, it has

steadily grown worse, til now I  
am quite disfigured; and annoyed  
by curious peoples questions. The  
"M. D's". Tell me it is caused by  
Uric acid poison, and must be  
reached thro' the blood, which  
I have vainly tried to do. Your  
remedies are sold in our town.  
but I thought perhaps you had  
a specific for this peculiar form  
of Gout, and if so, I shall be  
pleased to try it. Enclosed please  
find stamp for reply at your  
earliest convenience, and oblige

yours very respectfully.
