

Mrs. Joe Person.

Mrs. Joe Person, who has been in Charlotte for a week visiting among friends and attending to the placing of her famous remedy, will leave for Dallas, Texas, on the 13th of October, to fulfill an engagement there to play the piano for two weeks, beginning October 11th, at the Dallas Exposition.

This is a high honor to Mrs. Person, who reserves a handsome stipend for her services, besides having all her expenses paid both ways and while in Dallas.
