Mrs Inglis Fletcher,
Edenton, N.C.

Dear Mrs. Fletcher, It is very difficult to see and thank every one who took part in our Pageant and helped to make it the huge success we think it was.

But we do want to thank you for taking time out from your busy schedule to help us out by having such an important part in portraying Queen Anne, for this we are very grateful.

It was due to you and many others that we had such a wonderful 250th. Birthday Celebration, and we humbly thank you

Very Truly Yours

B.A. Brooks
