

Mr. E. H. Harding Washington, North Carolina

Dear Edmund:

I intended to see you last week and say to you how deeply and sincerely the people of Beaufort County and our area are indebted to you for the magnificent work which you did in connection with the Bath Pageant. I desire, on behalf of my wife and myself, to let you know that we are conscious of the amount of work put in it and how fine a performance the people, under your leadership, made.

Sincerely,
