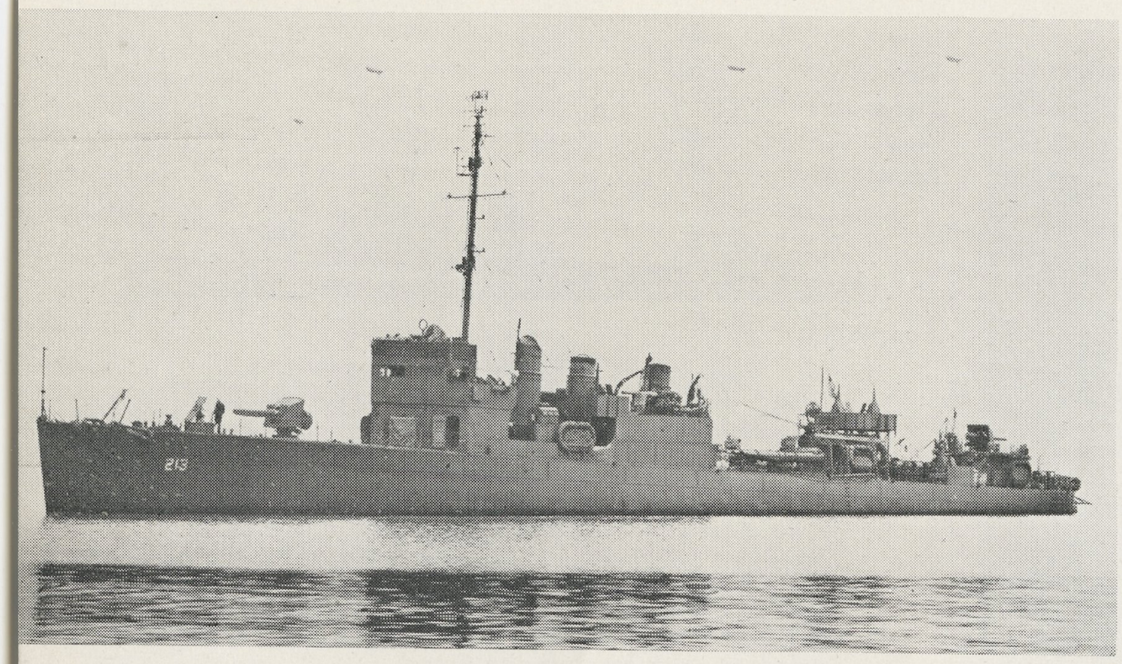
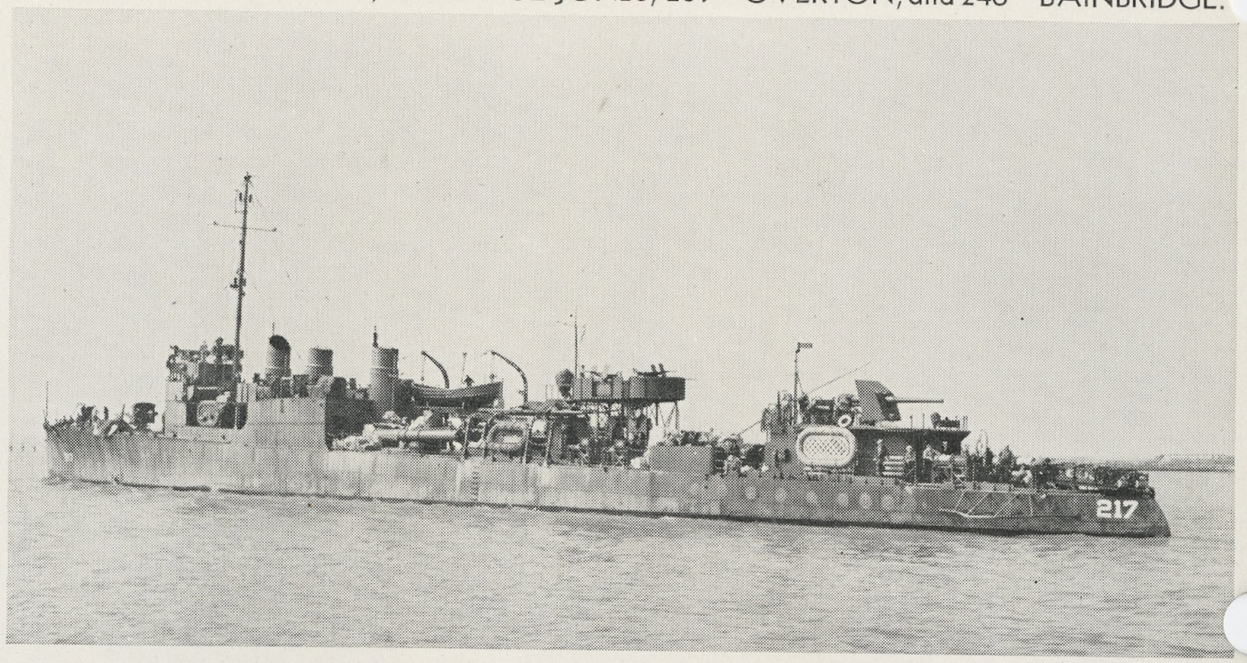
FLUSH DECKERS—DD

Photos are of DD 156—J. FRED TALBOT, 213—BARKER, 217—WHIPPLE, 222—BLUMER, 230—PAUL JONES, 239—OVERTON, and 246—BAINBRIDGE.





All units have had their stacks lowered; only a few, like BAINBRIDGE retain the original four. The shielding of the 3-inch guns and AA armament differ among ships of this class.
