Division of Naval Intelligence—Identification
and Characteristics Section 11-43

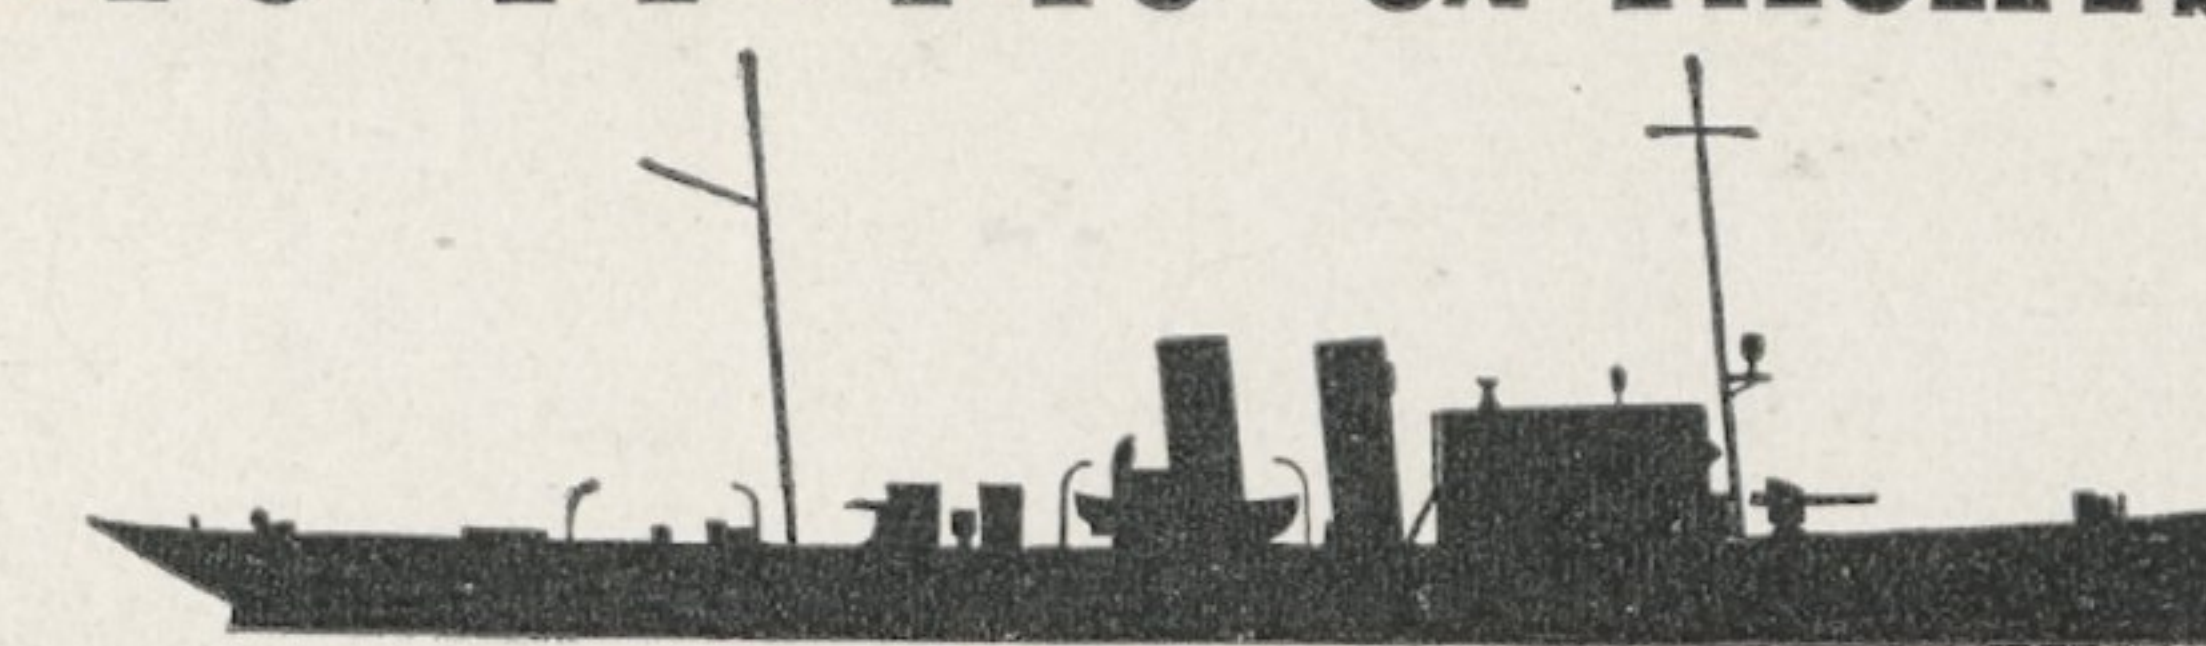

PY's include yachts 500-1,000 tons; PYc's yachts under 500 tons. Several PYc's were formerly classified as PC's; and are now used for coastal and harbor patrol. Vessels are shown as a typical, rather than a comprehensive, coverage. Included also are the 8 World War I Eagle Boats, now used entirely for training.
