Dear Ell

I received your letter last week
you had not received my last letter I am
looking for a letter from you to day or
tomorrow I have written to day to let you
know that I have sent Friday to the
Dejo as you directed me but did not get
the things they told him the Cars had
run of and could not tell when they
would be there we have only received
to rods of matting I am in hopes they will
be here soon we have nice weather now
and getting on very well have had some
of our seed sowed Keller seems very anxious
to have things fixed for you before you
get up I dont know how I could get along
but for her she is now having your
walks and box planted I am afraid
it is rather late I guess you have heard
of the Cars running or perhaps I can
enquire ^{and hear} something about it Lula Davis
