Dear Sir

Agreeable with your request we enclose herewith your acct current, balanced due us \$8489⁸⁰, your desire to hold has as yet been unfortunate, some heavy failures in Liverpool and here in the Cotton trade, has caused a very dull and depressed market here, sales of a line over 200 Bales full average N.C. was made on 9th inst at 25¹/₂¢ - at present it seems useless to force sales yet panic may carry it lower no one can in these times tell what a day will bring forth - Will be pleased to hear from you -

Yrs Very Truly

May is 1st to \$2 as to quality it should be lower soon, the dealers say it will not
