Goldstons May 21st 1867

Dear Cal.

I have planted one hundred & ninety acres in cotton, the cream of my Plantation, have a tolerable fair stand. have not finished planting Corn yet when through will have seventy acres in corn.

Would be pleased to get five hundred dollars more from you as soon as possible.

I have twenty eight hands think they ^{are} more than average.

Bettie joins in love to all & says come to see us.

Bettie will go up the ~~country~~ about the first of August.

Your fond Brother
W. B. Carr,
