Dear Cal

Judging from the tone of your last letter, and the amt of rain that has fallen since, I think you must need more hands, if such is the case, let me hear from you immediately. I may be able to send you some.

Let me know what you are willing to pay hands by the day or month, how many you want, & for what length of time you want them.

My Crop promises as well as any one I have seen or heard of, think I will have a sinking fund of ~~around~~ several thousand dollars this winter.

Bettie will go up the County the 2<sup>nd</sup> of July. Come and pay me a good Brotherly visit, I would come to see you, but have no one to attend to my business.

Your fond Brother  
W. B. Carr
