Mr. Van

Dear Sir

Sir: I saw you yesterday evening
that I thought - that if you wished
to put up a grist mill let me know
how you would take me in as a partner
or simply some one in what if you run it -
though I have a mill of my own I would
like to have a part in yours you want
you like to take in a partner or no I lay
down my mind in it. Now let me know
as soon as possible if you come
to any conclusion please let me
know when you would meet
me in town as I have no opportunity
to come to see you
