Mr Elias Carr

Dear Sir

Your letter was rec^d
a few days ago with a draft from
Mr Lawrence for one hundred dollars
for which please accept my thanks.
Please collect as fast as you can
I am very much in need of money.

We are doing well as we could
expect. Though it is very dull at
present. Write me all the news
of the election in your state.

My Family is well at present
but may be taken sick ~~any~~ day.

The weather is very changeable.

We have had Snow twice this
winter. And it is very cold now.
Martha wishes to be ambled to
you and Mrs Carr. Write often

Yours Respectfully
J. W. Moore
