Dear Sir

We have yours of 25th addressing draft \$164 98 and request to send Jno S. Dancy One hundred Dollars which has been done -

Cotton is a trifle better to day, we offered your 63 Bales at 15 1/2 which is the value of Ga Middling if it dont move at that we will keep it till January, it is impossible to tell, some say it will go even lower and others think it is at bottom now, we hope it is as low as it will be, for our friends are getting now Entirely too little for their labor, to say nothing of the unjust tax -

Yr Very Truly
